Emergency Ordinance

## \*Pay settlement of Ronald and Falisha Brown personal injury and property damage claim for \$40,000 involving the Portland Bureau of Development Services

Passed

The City of Portland ordains:

Section 1. The Council finds:

1. Ronald and Falisha Brown have filed a personal injury and property damage claim resulting from a code violation cited in error involving the Portland Bureau of Development Services on December 1, 2022.
2. The claim has been investigated by Risk Management Services. The investigation indicates there is risk the City may be found liable. Therefore, in order to avoid the risk of an adverse jury award, it is prudent to compromise the claim at this time.
3. Risk Management Services recommends the claim be compromised for the total sum of \$40,000, with the amount of \$35,000 still due, subject to the claimant providing the City with a release in a form to be approved by the City Attorney.

NOW, THEREFORE, the Council directs:

- A. The Mayor and City Auditor are hereby authorized to draw and deliver a check in the amount of \$35,000 made payable to Ronald and Falisha Brown.
- B. Risk Management Services will execute a payment authorization in the amount set forth in sub-paragraph (A) above.

Section 2. The Council declares that an emergency exists in order to avoid undue and costly delay in settling this personal injury and property damage claim; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
