***Amend Intergovernmental Agreement with Portland Public Schools for compliance and other services related to the Workforce Training and Hiring Program to extend term and increase compensation (amend Contract 3006338)**

Passed

The City of Portland ordains:

Section 1. The Council finds:

1. The City has a compelling governmental interest in facilitating the full participation of all persons in opportunities generated by the City's public works contracts, as detailed in the previously adopted 2012 Social Equity Contracting Strategy by the City Council.
2. The City entered into an Intergovernmental Agreement (IGA) with Portland Public Schools (PPS) on July 1, 2018 to provide project specific data collection and reporting services, for a training program substantially similar to the City's Workforce Training and Hiring Program (WTHP) on certain PPS construction projects. The IGA was executed pursuant to authority under PCC 5.33.040. On August 2022, amendment 4 to the IGA extended the IGA for another one-year term and provided additional compensation.
3. PPS has expressed an interest in continuing to utilize the City's services to collect and report on workforce data on select PPS construction projects.
4. The proposed amendment to IGA would permit the City to continue to provide training, assistance, and compliance services to PPS. In return, PPS will coordinate this program with the City and provide funding to the City in the sum of \$62,545. This IGA will expire June 30, 2024.
5. The City has the expertise to provide the service support to PPS and providing external services to PPS will not detriment or diminish the capacity, quality or quantity of the work and services that the City does for itself in this area.
