TO THE COUNCIL.

Gentlemen:

The undersigned hereby respectfully petition your Honorable Body to make provision in the budget for the Bureau of Parks for the year 1936, for the maintenance of the central parking strip in NE Ainsworth street from NE 10th avenue to NE 33rd avenue.

Your petitioners respectfully show that NE Ainsworth avenue from NE Union avenue to NE 33rd avenue is 100 feet in width; that it is a main approach to your beautiful and increasingly popular Alberta Park from two heavily traveled north and south arteries, namely: N. E. Union avenue and N. E. 33rd avenue; that the Park Bureau does now maintain the central Parking strip in said Ainsworth street from NE Union avenue to NE 10th avenue; that said central parking strip is now grown up with weeds and can not be maintained by individuals living on each side of the said street with hose and equipment for single lots when part of the adjoining property is vacant.

In view of the facts as given above, your petitioners believe their request is reasonable, and respectfully urge that it be given favorable consideration by your Honorable Body.
