

## **Sidewalk Operations Oversight Committee Recommendations**

### **December Review with Status**

**#1:** Rename the Central Eastside Together training manual created primarily for program partners that could also be used for the Board of Directors, Oversight Committee, and staff as needed.

Program manager suggests the new name of Field Guide, requires approval.

#### **STATUS: IN PROGRESS/REQUIRES APPROVAL**

**#2:** Revisit Operating Procedures for graffiti removal services. Identify priorities for GRS including how to manage next steps for waiver collection and outreach as well as when to submit a notification letter to the City from the Oversight Committee. GRS will provide photos and addresses of problem areas to CEIC staff who can then “assign” priorities. These will be added to the Operating Procedures document and will include specific outreach strategies to developers as well as cost savings information.

Program Manager tasked with generating new “priority buckets.”

#### **STATUS: IN PROGRESS**

**#3:** Investigate meeting with Metro, Groundscore, Central City Concern regarding partnership on waste collection and bottle drop site.

Program Manager tasked with organizing meeting with Metro.

#### **STATUS: GROUNDSCORE MEETING COMPLETE, MEETING WITH METRO IN PROGRESS**

**#3:** Continue outreach with businesses about programs by both having CEIC staff do more targeted sit-downs with businesses and educating businesses staff on the services.

CEIC staff working on developing outreach strategies with businesses.

#### **STATUS: IN PROGRESS**

**#4:** Organize district-wide Safety Training in partnership with the Office of Civic and Community Life to be scheduled prior to public Oversight Committee meeting. This training will provide overview of the ecosystem of services.

CEIC staff working to identify date with OCCL for late April.

#### **STATUS: IN PROGRESS/ REQUIRES APPROVAL**
