Agenda Item	Name or Organization	Position	Comments	Attachment	Created
948	Sean Myers	Oppose	I regularly see PPB officers break even the simplest of laws, like “no turn on red” in their official city vehicles. In no way do I trust them to reform themselves or accept reforms on actual substantive matters without significant oversight. PPB has proven again and again to be untrustworthy and against our community standards. Restore trust first, and then consider allowing amendments to the agreement.	No	11/07/23 9:01 PM
