To the Honorable Community on St^h & P. P.
Gentlemen

I find that the greater portion of Mr. Pfunder's bill. Is for setting of trees previous to my duty as St. Supt. & I cannot certify further than I see trees there standing. In 9 around Play Blocks 53. & 54. quite a number are dead. In Park Blocks North. The trees are in bad condition. I should think at least one half of them worthless. That are alive. Of which all as per agreement. have been cultivated & counted at 22^{cts.} each. That alone. I can certify to. Being correct as shown in Bill.

I understand Mr. Pfunder that the other portion of his bill. Has been fast upon by the Council. & This stands —

Hoping to free my self from any criticism I submit the above. to your wise consideration

Your obedient servant

J. W. Davis

Supt. of St^h
