146	Vatea Herman on behalf of Stan Herman		<p>My names is Vatea Herman, daughter of Stan Herman property owner. I learned of this meeting yesterday from Kevin Foster after I contacted him regarding the letters I found at my dad's office on Monday. My father has been battling cancer and has not been at his office to receive these letters as a result. I am working through all of his business dealings to get up to speed and determine actions needed. My first priority has been his health and managing other legal matters related to my parents estate including obtaining Power of Attorney . I recognize this property has been a challenge for the city and my father for many years and I hope to be able to help find mutual resolution. That said I am asking for some additional time to get up to speed prior to the city moving forward with this foreclosure. As I mentioned I only recently picked this up and am not currently clear as to all the issues and path to resolution. I intend to reach out to Jeff Gaub, per communication from Kevin, today to gain a better understanding of the situation as my next step. If there are additional suggestions I am listening online as I was not able to change my work schedule to be able to attend in person but am open to additional suggestions and insights you may provide. Thank you for your time.</p> <p>Respectfully Vatea Herman 971-221-6060</p>	No	02/14/24 10:14 AM
