

Portland Urban Forest Plan

The Portland Urban Forest Plan is the City's roadmap for preserving, planting, and caring for trees equitably and sustainably. It sets goals and guides decisions so people and wildlife can enjoy the benefits of trees for generations to come.

Every tree
in Portland
is part of the
urban forest.

Help us create a vision for the future:

Take our survey!

Take our survey and share your vision, values, and priorities for trees in our community.

Survey participants can enter to win a \$45 Fred Meyer gift card.
