### Council convenes as Prosper Portland Budget Committee to receive the Prosper Portland FY 2024-25 Proposed Budget and hold a public hearing

Placed on File

#### Budget Message from Kimberly Branam, Executive Director

To Members of the Prosper Portland Board of Commissioners and Portland City Council:

Prosper Portland focuses on creating economic growth and opportunity toward a future in which Portland is more globally competitive, equitable, and prosperous. *Advance Portland: A Call to Action for Inclusive Economic Growth*, adopted by City Council in April 2023, establishes a focused plan to collectively deliver inclusive and sustainable economic growth. Shortly after adoption of Advance Portland, the Prosper Portland Board of Commissioners approved an update to the agency's Financial Sustainability Plan to i) adjust for impacts of the COVID pandemic and ii) incorporate budgetary changes tied to the conclusion of most tax increment finance (TIF) districts between 2020 and 2025 and return of funds to the City. The updated Financial Sustainability Plan provides a clear path toward funding the programs, priorities, and policies necessary to implement elements of Advance Portland being led by Prosper Portland.

Prosper Portland's fiscal year (FY) 2024-25 Proposed Budget prioritizes implementation of Advance Portland and aligns with the Financial Sustainability Plan. The inclusion of returning TIF General Fund resources together with existing ongoing General Fund, Community Development Block Grant, and Cannabis Tax Funds provides the foundation to support operations as the current generation of TIF districts conclude; expands programming to launch the Office of Small Business; and broadens citywide lending programs to meet the needs of small businesses and to develop new middle-income housing development. Additional resources allocated from the Portland Clean Energy Fund (PCEF) enable new loans, grants, and technical assistance supporting small businesses and commercial development that further both Advance Portland and the Climate Investment Plan priorities.

## Impact Statement

### Purpose of Proposed Legislation and Background Information

Portland City Council is convened as the Prosper Portland Budget Committee to receive the FY 2024-25 Budget Message and Proposed Budget and hold a hearing on the Proposed Budget. City Council will vote to approve the Prosper Portland budget, with any amendments on May 15, 2024.

### Financial and Budgetary Impacts

Prosper Portland's FY 2024-25 Proposed Budget totals \$208 million in expenditures and 105 positions, up from 98 positions in FY 2023-24. The Proposed Budget is currently balanced using 1) the latest updates on projects and programs from Tax Increment Financing (TIF) District community action plans, 2) the latest TIF forecasts developed in conjunction with debt management staff at the City Office of Management and Finance, 3) the City Budget Office's current service level funding of General Fund resources for economic development, and 4) updated estimates for loan portfolio and property income revenues.

Prosper Portland's General Fund, Cannabis Fund, Community Development Block Grant, and Enterprise Zone Funds, along with remaining federal funds from the American Rescue Plan (ARPA), provide critical citywide resources to work toward the goals of Advance Portland. In total \$28 million in General Fund, Community Development Block Grant, Cannabis Fund, ARPA, and Enterprise Zone resources are aligned to the Advance Portland objectives.

The FY 2024-25 Proposed Budget incorporates the Returning TIF Decision Package and transitions a significant portion of funding for programs and operations from expiring TIF districts to new Returning TIF General Fund resources. Specifically, the Returning TIF decision packages direct \$2.6 Million to fund the full cost of current citywide economic development programs; \$3 Million to deliver \$45M in financial assistance and investment outside of TIF districts, small business tenanting and leasing assistance, and ongoing loan and asset management; and \$2 Million for a total of seven positions across the previously one-time supported Office of Events and Film and the newly established Small Business Office.

- \$500 thousand in one-time funding for additional small business repair grants,
- \$200 thousand in ongoing funding for a position to engage with large scale, public private partnerships outside of established Tax Increment Finance districts.

The staffing increase to 105 positions comes as a result of a small business focused Portland Clean Energy Fund package that includes six new staff who will be deploying over \$30 million in resources over the next five-years as well as incorporating the Returning TIF Decision Package and additional one-time and ongoing General Funds included in the Mayor's Proposed Budget outlined above.

Recognizing the critical need to strengthen diverse small businesses, the budget includes resources for: operating and capital funding for immediate window repair, and longer-term business growth and expansion; helping industry partners to deploy innovative green products and services; and igniting major events to drive foot traffic back and tourism. The FY 2024-25 Proposed Budget also continues to incorporate ongoing Reimagine Oregon and Inclusive Business Resource network funding from the Recreational Cannabis Tax fund.

## Budget Message from Kimberly Branam Executive Director

To Members of the Prosper Portland Board of Commissioners and Portland City Council:

Prosper Portland focuses on creating economic growth and opportunity toward a future in which Portland is more globally competitive, equitable, and prosperous. [Advance Portland: A Call to Action for Inclusive Economic Growth](#), adopted by City Council in April 2023, establishes a focused plan to collectively deliver inclusive and sustainable economic growth. Shortly after adoption of Advance Portland, the Prosper Portland Board of Commissioners approved an update to the agency's Financial Sustainability Plan to i) adjust for impacts of the COVID pandemic and ii) incorporate budgetary changes tied to the conclusion of most tax increment finance (TIF) districts between 2020 and 2025 and return of funds to the City. The updated Financial Sustainability Plan provides a clear path toward funding the programs, priorities, and policies necessary to implement elements of Advance Portland being led by Prosper Portland.

Prosper Portland's fiscal year (FY) 2024-25 Proposed Budget prioritizes implementation of Advance Portland and aligns with the Financial Sustainability Plan. The inclusion of returning TIF General Fund resources together with existing ongoing General Fund, Community Development Block Grant (CDBG), and Cannabis Tax Funds provides the foundation to support operations as the current generation of TIF districts conclude; expands programming to launch the Office of Small Business; and broadens citywide lending programs to meet the needs of small businesses and to develop new middle-income housing development. Additional resources allocated from the Portland Clean Energy Fund (PCEF) enable new loans, grants, and technical assistance supporting small businesses and commercial development that further both Advance Portland and the Climate Investment Plan priorities.

The FY 2024-25 Proposed Budget deploys the final resources for projects and programs in concluding TIF districts while finalizing work with stakeholders to bring forward new, potential TIF districts to support Inclusive development and affordable housing resources in the Central City and East Portland for the next 30 years.

### **FY 2024-25 BUDGET OVERVIEW**

Prosper Portland's FY 2024-25 Proposed Budget totals \$208 million in expenditures and 105 positions, up from 98 positions in FY 2023-24. The Proposed Budget is currently balanced using 1) the latest updates on projects and programs and resources from TIF district community action plans, 2) constrained General Fund, Recreational Cannabis Tax Funds, and CDBG funds 3) the Returning TIF Decision Package, and 4) updated estimates for loan portfolio and property income revenues.

In total, the budget includes \$17.3 million in ongoing, one-time, and Returning TIF General Fund resources, \$4.6 million in Recreational Cannabis Tax Fund resources, \$137 million for TIF district spending and \$5.1 million in federal grant and other resources. All remaining American Rescue Plan Act (ARPA) funds supporting economic support for small businesses, events and workforce development will be spent by December 31, 2024.

The FY 2024-25 Proposed Budget incorporates the Returning TIF Decision Package and transitions a significant portion of funding for programs and operations from expiring TIF districts to new Returning TIF General Fund resources. Specifically, the Returning TIF Decision Package directs \$2.6 million to fund the full cost of current

citywide economic development programs; \$3 million to deliver \$45 million in financial assistance and investment outside of TIF districts, small business tenanting and leasing assistance, and ongoing loan and asset management; and \$2 million for a total of seven positions across the previously one-time supported Office of Events and Film and the newly established Small Business Office.

The Proposed Budget also incorporates an additional \$1.9 million in funding that is included in the Mayor's Proposed Budget. The funding includes:

- \$1 million in one-time funding to support the Office of Events and Film with an additional position, and resources to support events and activities through FY 2024-25,
- \$200 thousand in additional one-time resources to implement the Small Business Office,

February 9, 2024

Kimberly Branam  
Executive Director  
Prosper Portland

We, the members of the Prosper Portland Community Budget Committee (Committee), are pleased to submit this letter to accompany submission of the Prosper Portland Requested Budget for fiscal year (FY) 2024-25.

#### Process

The Committee met three times from December 2023 through January 2024 to discuss priorities for the upcoming fiscal year and Mayor Wheeler's budget guidance. Unlike prior years, when we have discussed decision packages, the budget guidance this cycle required us to focus solely on reductions to base budgets and ongoing program offers.

#### Base Budget Cuts

Staff shared Mayor Wheeler's budget direction and the Committee understands the direction and implications of the mandatory five percent cut to Prosper Portland's ongoing General Fund budget. More recently, the Committee was made aware that Prosper Portland must also address a 22 percent ongoing cut to the Cannabis Business Tax Fund budget. Staff provided two scenarios to address reductions to both funds, in addition to a cut in Federal Community Development Block Grant funds that are allocated to workforce development, representing a seven percent reduction to the overall operational budget.

The Committee had a robust discussion about both scenarios; staff presented a third option listed as 'Scenario C (Preferred)' [here](#) that was somewhat of a compromise, meeting several objectives including:

- **Balancing cuts** across programs and providers
- Maintaining commitments outlined in the **Advance Portland strategy**
- Importance of maintaining two **Small Business Liaison** positions during City government transition
- **Avoid cutting too deep** into existing Inclusive Business Resource Network contracts
- Willingness to **share the budget cut** across funded organizations

In addition, the Committee noted potential sources to backfill cuts (e.g., State of Oregon funding for the Office of Events and Films).

#### Tax Increment Finance Budgets

The Committee understands that most of the tax increment finance (TIF) budgets are guided by community action plans that have set budget allocations in accordance with local priorities, including the Old Town Action Plan, Lents Action Plan, Gateway Action Plan, and North/Northeast Community Development Initiative. From January through March, Prosper Portland relationship managers will partner with Committee members who represent geographic constituencies to discuss TIF district budget priorities and will report out on community feedback at the City Council work session in March.

We thank you for the opportunity to comment.

### Description of Resources

Prosper Portland's operating and capital expenditures are supported by resources described below. Total resources, including beginning fund balance for FY 2024-25, are budgeted at \$362 million, a decrease of \$206 million from the FY 2023-24 Revised Budget of \$568 million. Most of this decrease is due to a decline in beginning fund balance and one-time service reimbursements related to the consolidation of program income in the Strategic Investment Fund in FY 2023-24. Total resources net of interfund activity is budgeted at \$337 million, a decrease of \$147 million from the FY 2023-24 Revised Budget.

**Beginning Fund Balance** - The FY 2024-25 beginning fund balance budget is \$229 million, a decrease of \$125 million from FY 2023-24 Revised Budget of \$354 million.

The bulk of Prosper Portland's beginning fund balances are in TIF district capital funds, which carry balances resulting from long-term and short-term tax increment bond proceeds, loan repayments, and other receipts. These beginning balances are programmed to fund economic development, housing, infrastructure, and property redevelopment projects sometimes over multiple years. The sharp decline between FY 2023-24 and FY 2024-25 is due to unanticipated spending in TIF districts for FY 2023-24. Actual spending may be lower and will be revised to reflect a higher FY 2024-25 Beginning Fund Balance in a later version of the budget.

The net proceeds from TIF are spent over multiple years on identified projects and programs. The balances are budgeted in contingency and carried over to beginning fund balance in the succeeding fiscal year. These balances are only spent on projects eligible for the bond proceeds.

**City General Fund** - This revenue category includes both City of Portland General Fund resources as well as Recreational Cannabis Tax (RCT) resources, both of which Prosper Portland relies heavily on to fund economic development activities outside of TIF districts, and without the limitations that accompany TIF.

As TIF is declining, the Portland City Council has reallocated the City's returning TIF proceeds to Prosper Portland and the Portland Housing Bureau at \$7.6 million each. These returning TIF proceeds will be used to cover administrative and overhead costs largely associated with economic development activities as well as fund lending and asset management activities, establish a new Small Business Office, and provide ongoing funding for the Office of Events and Film.

Ongoing programmatic funding provided by General Fund and RCT includes business advancement through traded sector growth, the Inclusive Business Resource Network (IBRN), Neighborhood Prosperity Network, Venture Portland, and workforce development.

Prosper Portland is budgeted to receive \$22 million in FY 2024-25, of which \$5 million is from RCT. This is a net decrease of \$1 million from the FY 2023-24 Revised Budget, mainly due to one-time RCT resources in FY 2023-24 that were appropriated by the

Portland City Council for the Social Equity and Economic Development (SEED) grant and Reimagine Oregon. The Mayor's Proposed Budget also includes \$2 million in additional General Fund and RCT funds, of which \$200 thousand is ongoing. Most of the funding will support additional Repair and Restore Grants and provide added capacity to the Office of Events and Film. Also included is \$3 million in one-time carryover from prior year allocations.

**Federal and Other Grants** - This revenue category includes three funding sources – federal grants, federal HCD contract and state and local grants. The overall budget is \$5 million in FY 2024-25, a decrease of \$8 million from the FY 2023-24 Revised Budget, primarily due to the spenddown of American Rescue Plan Act (ARPA) funds. Prosper Portland has budgeted \$2 million in ARPA funds in FY 2024-25 to deploy to small businesses, workforce development programs and neighborhoods in need of assistance due to COVID-19 and the resulting negative economic impact. The federal HCD contract is comprised of Community Development Block Grant (CDBG) funds for economic opportunity programs totaling \$2 million. Federal resources support community economic development activities focused on workforce development and small business technical assistance through IBRN. An additional \$1 million is budgeted in FY 2024-25 as pass through from the Metro 2040 grant to fund the Center for Tribal Nations and Portland Green Loop.

**Program Income** - Program income derives from the following sources: fees and charges, interest on investments, loan collections, miscellaneous, property income, and reimbursements. These funds are used to support development efforts, provide loans for capital projects, fund program management in TIF districts, and other activities. Program income received in TIF districts is retained within the corresponding district and expended on projects in accordance with the city's adopted district plans. Federal loan collection program income is restricted in expenditure by law.

The program income budget for FY 2024-25 is \$28 million which is a net increase of \$4 million from the FY 2023-24 Revised Budget. The increase is largely related to fees and charges. Most of this increase in the Proposed Budget is related to the planned intergovernmental agreement with the Bureau of Planning and Sustainability, wherein Prosper Portland would receive an annual allocation of \$8.5 million for five years to implement programs related to the Portland Clean Energy Fund.

**Service Reimbursements** - Includes recovery for administrative expenses for Prosper Portland's support departments: Executive; Equity, Policy and Communications; Legal; and Administrative Services. The costs are allocated to operating department funds, which reimburse the general fund for their share of the costs. Service reimbursements are budgeted at \$11 million in FY 2024-25, which is a decrease of \$6 million from the FY 2023-24 Revised Budget mainly due to a change in how paid-time off and other payroll related costs are allocated.

**Tax Increment Debt Proceeds** – Oregon Revised Statutes (Chapter 457) requires that urban renewal property taxes be used to pay debt service on bonds and notes issued to fund projects in TIF districts. The City of Portland collects urban renewal property taxes to make debt service payments on long-term urban renewal bonds, lines of credit or other interim

financing, and short-term urban renewal bonds (known as “du jour” bonds). Prosper Portland receives the net proceeds of these debt obligations, after payment of issuance costs and required reserves, to use on eligible projects within designated districts.

The financing plan for FY 2024-25 was developed in conjunction with the City of Portland using conservative assumptions on tax increment revenue collections and debt service requirements. Prosper Portland’s FY 2024-25 tax increment debt proceeds of \$53 million is \$17 million less than the FY 2023-24 Revised Budget.

**Short Term (S-T) Debt** – Short-term (“du jour”) debt is overnight borrowing used to make tax increment revenues available to Prosper Portland that are in excess of amounts necessary for debt service on outstanding TIF district bonds or other indebtedness. The FY 2024-25 Budget includes \$26 million of du jour, a decrease of \$29 million from FY 2023-24 due to several districts reaching maximum indebtedness.

Du jour was collected in 5 TIF districts in FY 2023-24: Gateway, Interstate Corridor, Lents Town Center, North Macadam, and Cully – du jour increases (or decreases) as the assessed values within the TIF district boundary change, and as districts are added or reach maximum indebtedness. For FY 2024-25, du jour debt proceeds will only be collected for Gateway, North Macadam, and Cully tax increment districts.

**Long Term (L-T) Debt** – The FY 2024-25 budget for long term debt is \$27 million, an increase of \$12 million from FY 2023-24. This change is related to Gateway bond proceeds that have been issued but are held by the City of Portland until eligible project costs are incurred and drawdowns on the bonds are requested. It’s anticipated that there will be sufficient project costs incurred in FY 2024-25 to support the drawdown.

Prosper Portland does not have any debt service in its budget related to tax increment funding. This is because the City of Portland issues all urban renewal long-term bonds, tax increment-secured lines of credit, and short-term financing per city charter. The City of Portland maintains separate debt service funds for each TIF district. These debt service funds can be found through the City of Portland’s budget at <http://www.portlandonline.com/>.

Each TIF district has its own plan which details the area including the legal boundaries, goals and objectives, definitions, project activities, and expiration dates. Each plan provides details on the condition of the area, maximum indebtedness, and fiscal impacts. As shown in the table below, many districts have reached or are close to reaching the maximum amount of debt that can be issued. All districts are projected to reach maximum indebtedness or their last date to issue debt is by 2025. In December 2022, City Council approved the Cully TIF District with a maximum indebtedness of \$350 million that will begin collecting tax increment revenue and issuing debt proceeds in FY 2023-24.

A TIF district's maximum indebtedness represents the principal amount of indebtedness that may be issued for a given district and does not include debt service or refinancing costs. The maximum indebtedness limit is based on good faith estimates of project costs, including inflation, that are planned in each district. The plan expiration date is the stated date within each TIF district's plan after which no additional new bonded indebtedness may be issued.

### Description of Requirements

Prosper Portland's total requirements budgeted for FY 2024-25 are \$362 million, including \$128 million in contingency and \$25 million in interfund transfers. This is a decrease of \$206 million from the previous year.

Prosper Portland's total expenditure budget (net of contingency, transfers, and ending fund balance) is \$208 million, a decrease of \$49 million from the prior fiscal year. As explained below, Prosper Portland's budget is appropriated by program area.

### Expenditures by Program Area

The total budget for Prosper Portland's program areas in FY 2024-25 is \$208 million. Total expenditures are budgeted in the five program areas detailed below.

**Administration** – The administration program budget is \$12 million. This represents a decrease of \$5 million from FY 2023-24. The variance is largely due to a change in the allocation of paid time off and other changes in how staffing costs are allocated. Starting in FY 2023-24 a higher portion of personnel costs will be directly allocated to projects and programs. Paid time off will be allocated based more directly on where employees are directly charging their time instead of being allocated as administration through the indirect cost model.

**Economic Development** – The economic development program budget is \$31 million, a decrease of \$20 million from the FY 2023-24 Revised Budget. This category includes business lending, community economic development, workforce development, business advancement and entrepreneurship programs funded by the Strategic Investment Fund, City of Portland General Fund, Enterprise Zone, Community Development Block Grant funds, Recreational Cannabis Tax (RCT) funds and other federal grants and intergovernmental agreements.

ARPA decreased by \$6 million from FY 2023-24 due to expiration of funds in December 2024 and project spenddown. There is \$2 million budgeted for FY 2024-25 for workforce development and Venture Portland. General Fund and Recreational Cannabis Tax (RCT) programs decreased by \$5 million from FY 2023-24, due to one-time funding, the 5 percent General Fund cut that each City bureau was required to take and the 22 percent cut to RCT funding. The budget for business lending in the Strategic Investment Fund also shows a decrease of \$6 million due to the amount budgeted in FY 2023-24. This will likely change based on updated forecasts for spending in FY 2023-24 and FY 2024-25 due to timing of loan closings.

**Housing** – The housing program budget is \$47 million, an increase of \$5 million from FY 2023-24 Revised Budget due to an increased spend down of the Housing Set Aside in some districts based on the forecast provided by the Portland Housing Bureau's (PHB) programs. These expenditures occur through an intergovernmental agreement with PHB and incorporate amendments to the Housing Set Aside policy adopted by City Council in

2015 that dedicates 45% of all new TIF debt proceeds to affordable housing. Year to year changes in budget are related to the timing of project expenditures as provided by the PHB to Prosper Portland to incorporate into the annual budget and five-year forecast.

**Infrastructure** – The infrastructure program budget is \$11 million, an increase of \$3 million from the previous fiscal year. This category includes all projects and programs that are public infrastructure improvements including parks, public facilities, and transportation. Projects include funding for North Macadam transportation improvements in Central Eastside, Gateway, North Macadam and River District.

**Property Redevelopment** – The property redevelopment program budget is \$107 million. This category is comprised of commercial property redevelopment, commercial real estate lending, property management activities, and community redevelopment grants. Amounts budgeted in total across all funds decreased by a net \$31 million from FY 2023-24. Projects include ongoing predevelopment costs for the former US Post Office site and Broadway Corridor, funding for an intergovernmental agreement with Portland State University in the North Macadam district, and ongoing action plan investments for loans, grants and predevelopment work in Old Town, N/NE, and Lents, and Gateway. The budget includes ongoing property management costs across 45 Prosper Portland held properties including the Convention Center Garage, Inn at Convention Center, Station Place Garage, and Union Station. Also included in this section are General Fund Returning TIF and Strategic Investment Fund allocations for small business lending, commercial lending, and middle-income housing lending programs, and General Fund carryover for the Repair Grants and East Portland Investment Strategy.

### **Non-Program Requirements**

Non-Departmental requirements are transfers and contingency.

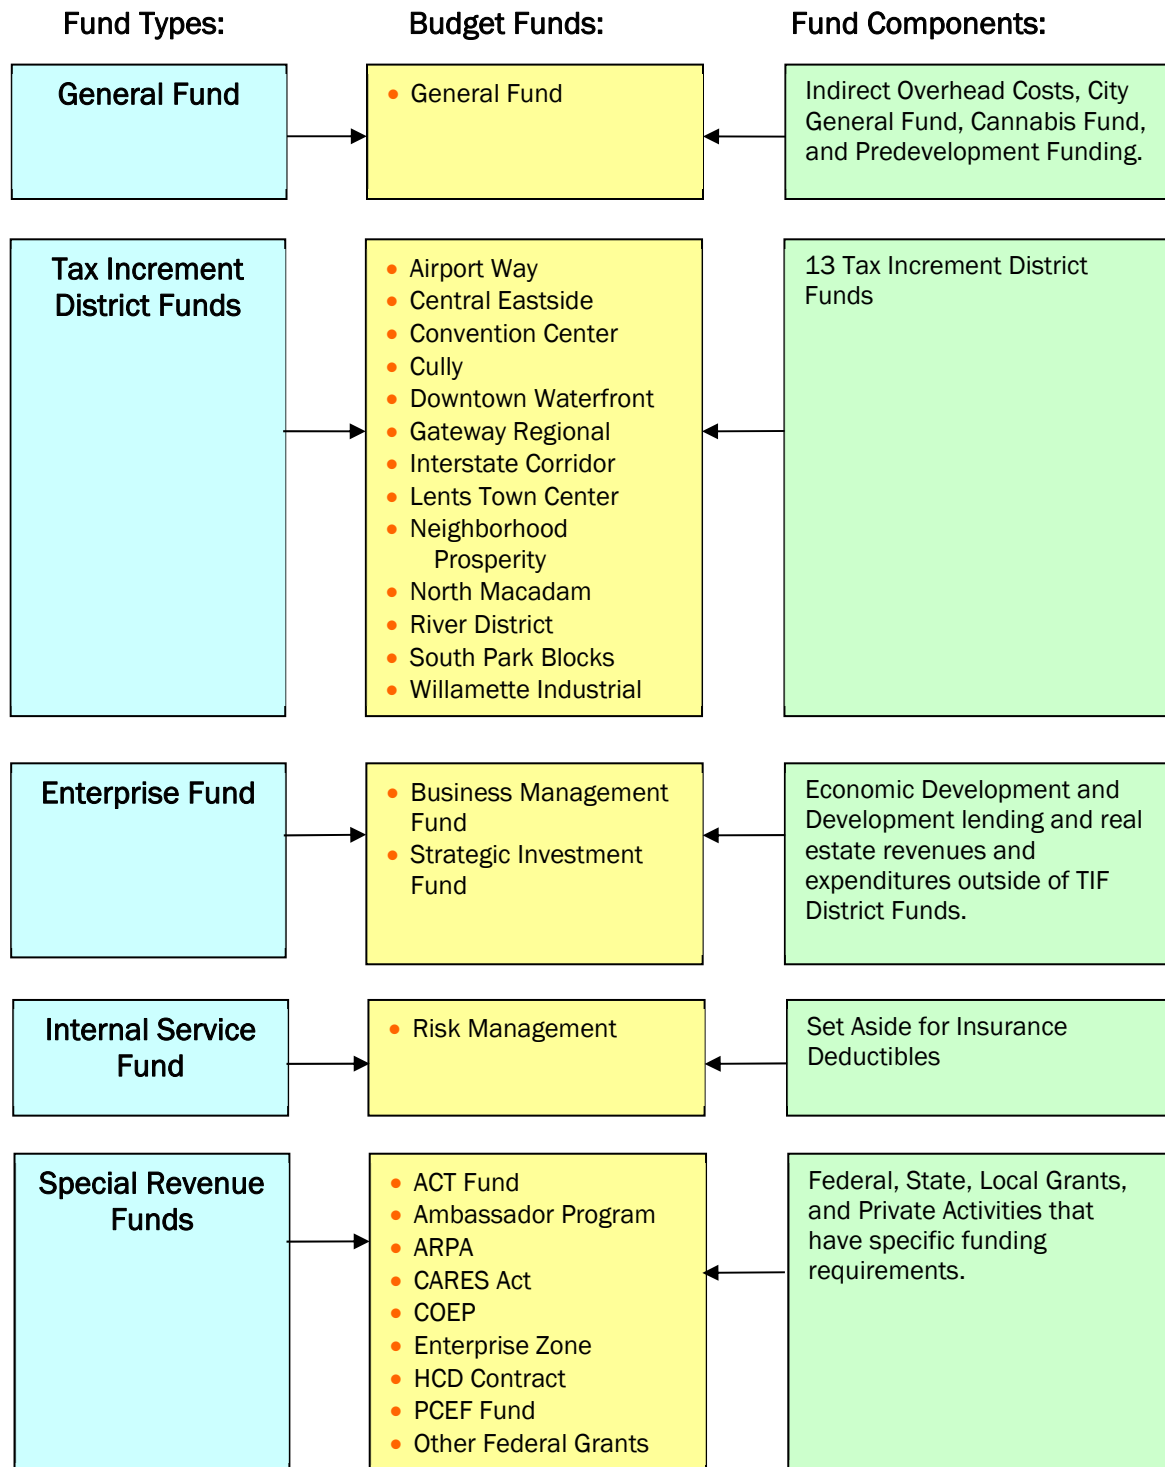

**Transfers** – This category accounts for transfers between funds. There are cash transfers totaling \$25 million budgeted for FY 2024-25. Transfers are comprised of internal service reimbursements from capital and special revenue funds to the general fund for administrative overhead. Transfers also include cash equity transfers or inter fund loans. Transfers decreased by \$49 million from FY 2023-24 due to program income being transferred out of TIF districts in FY 2023-24 to the Strategic Investment Fund for future lending and development activities that will align to Advance Portland and the updated Financial Sustainability Plan. Additional transfers of residual resources that are not TIF debt proceeds will occur in FY 2023-24 and in future fiscal years as TIF districts continue to closeout.

**Contingency** – This is budgeted to cover unanticipated requirements and reserve funds for projects planned in future fiscal years. Contingency decreased by \$98 million to \$128 million in FY 2024-25 largely due to the decreased beginning fund balance and the spending of TIF cash resources to fund projects and programs. The five-year forecast for each TIF district illustrates how contingency is budgeted between FY 2024-25 and FY 2028-29.

## Prosper Portland's Fund Structure

Prosper Portland has 5 Fund Types and  
26 Budget Funds

### Description of Prosper Portland's Fund Structure

Prosper Portland has 26 budget funds. Within each budget fund, Prosper Portland has sub-funds to account for specific programs that require separate tracking. A brief description of each of the legal appropriation fund types is below:

**General Fund** - This is Prosper Portland's operating fund. The General Fund accounts for administrative activities including indirect overhead costs and the project management office. In addition, economic development programs funded by the City General Fund and Recreational Cannabis Tax Fund are budgeted here.

**Tax Increment District Funds** - These funds are used to manage the finances of Prosper Portland's urban renewal areas. The primary source of revenue for these funds is tax increment debt proceeds and program income derived from the investment of tax increment proceeds. Several of the funds will be closing on June 30, 2024 and others in FY 2024-25 as districts are completed, however, the budget will continue to show the funds with historical actuals.

**Enterprise Funds** - The Enterprise Fund accounts for economic development and development activities that are operating in nature and outside of TIF District Funds. Most activity is within the Strategic Investment Fund which includes small business and commercial property lending programs.

**Internal Service Fund** - The Internal Service Fund, or Risk Management Fund, was created to make funds available for insurance claims and other unforeseen circumstances.

**Special Revenue Funds** - Prosper Portland's Special Revenue Funds include the following: ACT (Affordable Commercial Tenanting), Ambassador Program, ARPA (American Rescue Plan Act), CARES (Coronavirus Aid, Relief, and Economic Security) Act, COEP (Community Opportunities and Enhancements Program), Enterprise Zone, HCD (Housing and Community Development), PCEF (Portland Clean Energy Fund), and Other Federal Grants. The Special Revenue Funds account for the proceeds of specific revenue sources that are dedicated for specific purposes. These funds account for federal grants, local grants, and private activities.

### Staffing Summary

The FY 2024-25 Proposed Budget includes a total of 105 positions. 88 positions are full time employee positions, and 17 positions are limited term equivalent.

**FTE Position Changes** – The following describes changes in FTE positions by fiscal year:

**FY 2022-23** – Positions Budgeted for FY 2022-23 totaled 78 FTE, from prior year, with reductions in one position in Development and Investment and one position in Economic Development.

**FY 2023-24** - Positions Budgeted for FY 2023-24 increased to 81 FTE, with additional positions in the Economic Development, Equity, Policy and Communications and the Administrative Services Department. Position changes were mostly related to transition of cannabis funding from the Office of Civic Life to Prosper Portland. The additional position in the Administrative Services Department also performs work for the Equity, Policy and Communications Department supporting the Reimagine Oregon program.

**FY 2024-25** – Positions Budgeted for the FY 2024-25 Proposed Budget increase to 88 FTE as a result of returning TIF resources to support the Small Business Office and conversion of several limited term positions to full time positions and additional ongoing General Fund resources added in the Mayor’s Proposed Budget to support the large real estate development outside of TIF Districts.

### Limited-Term Equivalents (LTE)

LTE positions are hired for assignments that are short-term in nature (one to three years). LTE are utilized by departments as shown in the table below. Prosper Portland’s policy is to fill LTE positions for initiatives that have clear end-dates for specific work. This allows for flexibility in meeting workload demands while managing long-term staffing costs. The FY 2024-25 Proposed Budget includes 17 positions:

- Four positions in Development and Investment. While several LTE positions are concluding in FY 2023-24 and FY 2024-25, several new positions are added to implement Portland Clean Energy Fund (PCEF) programming supporting small business grants and commercial retrofit loans through the C-Pace program.
- Economic Development includes 10 LTE positions. Positions include implementation of the new Small Business Office (four), extending a position with the Office of Events and Film, and new positions to implement new funding through the PCEF for small business technical assistance (two). Two LTE positions supporting the COEP program and IBRN program continue from the prior year.
- Two positions in Equity, Policy and Communications. One position will support communications supporting all new PCEF programs with a second position supporting agency-wide government relations and coordination.
