SUBJECT: Montgomery Park Area Plan - Amendments Corrections

On July 3, 2024, BPS staff sent a memo to Planning Commission proposing 16 Potential Amendments to the Montgomery Park Area Plan - Proposed Draft. It has come to our attention that the following Amendments need to be corrected.

Amendment 2 – Urban Design Framework amendments

Amendment #2.c: Update the Park Diagram to reflect updated historic site boundaries.

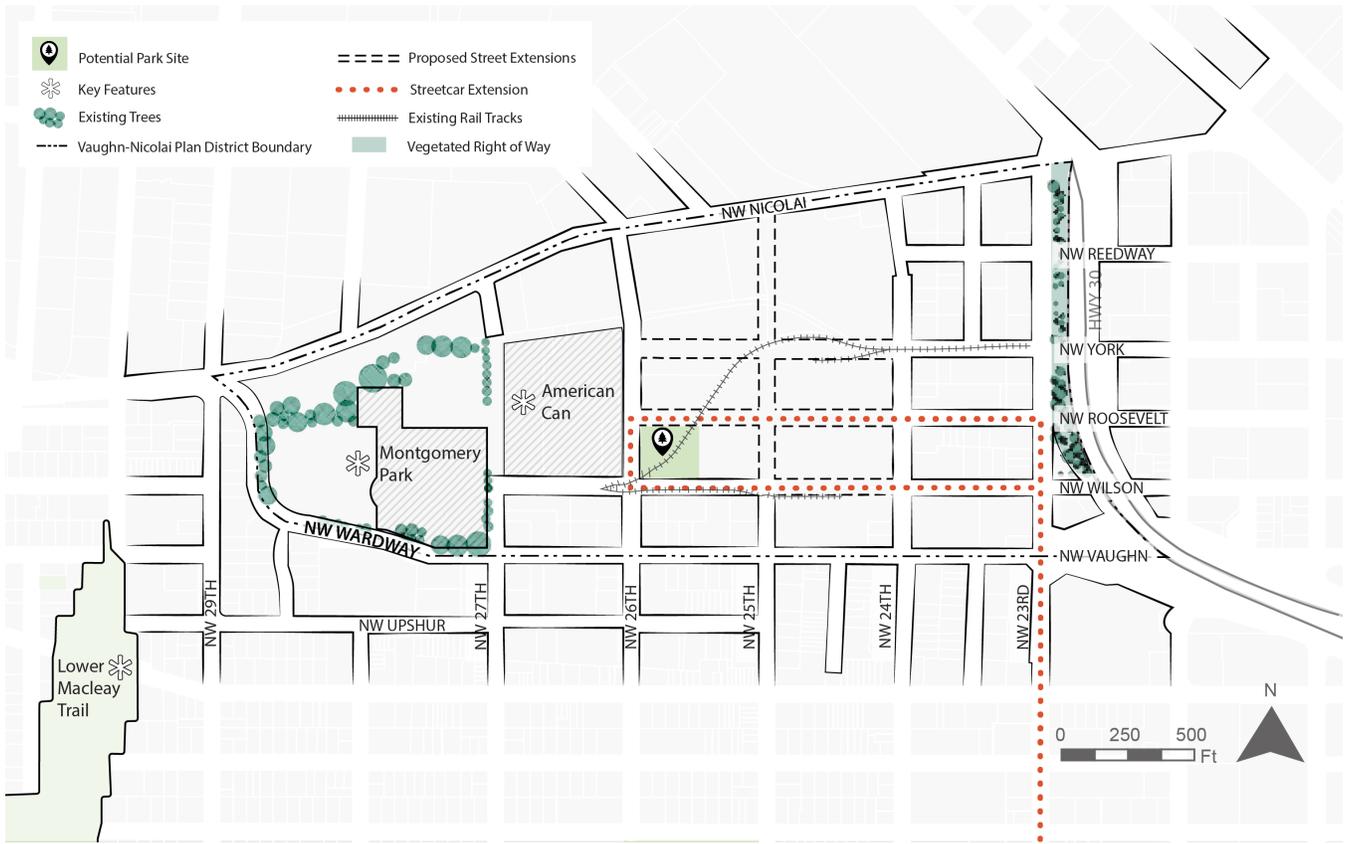

The Potential Amendments memo did not include the updated park diagram in the urban design attachment. The updated diagram (Section 4, page 65) is shown below (see following page).

Amendment 3 – Action table amendments

Amendment #3.c - Add a new Community Engagement action, CE2, in support of future York Work Group efforts in Plan area.

The action item had an error – the words “to seek resources” were repeated. The corrected action item is shown below.

CE2	Support and assist the York Work Group, and other community organizations, in their efforts to seek resources to create greater inclusivity of BIPOC Portlanders in the plan area.		X	City agencies
