

Portland City Council Agenda  
Written Testimony - Item 638/613

1	Agenda Item	Name or Organization	Position	Comments	Attachment	Created
	613	Anonymous	Oppose	This is an unreasonable premium differential no other union has got this sort of pay differential not state agencies who expose workers to pesticide not the county. This is a regular duty of the workers job they shouldn't get paid extra for taking on risk they already get highly compensated for. This is not good bargaining and a waste of taxpayer dollars.
