People deserve agency. Good public polices preserve agency & create more justice in our world. Criminalizing sex work does neither. Full decriminalization will enable us to focus on sex workers' rights & punish traffickers, not victims. opb.org/article/2021/0...

When [Joaquin Lopez](#), a musician and performing artist, heard he'd serve as one of two of Portland's creative laureates, he felt relief. And when he found out who he'd be serving with—[Leila Haile](#), a queer activist and tattoo artist at Ori Gallery—he felt hope.

"In arts and culture, we're trying to build our identities and express who we are," Lopez says. "So we need an other to see us."

Our garbage and recycling haulers are among many frontline workers who will put themselves at risk over the next few days to meet our community's needs. Please help them by getting your bins out early! twitter.com/PortlandBPS/st...

Due to expected high temperatures, garbage and recycling pickup will start earlier in the morning tomorrow and Monday (this protects the haulers from excessive heat exposure). So be sure to put your carts out the night before. Thank you! t.e2ma.net/cshare/inbound...
