While technology evolves, many in our community are left behind. The idea of [#DigitalJustice](#) is to assure technology benefits the WHOLE community. It demands transparency and accountability, and access to resources, literacy, information, and decision-making.

Each day, I try to do my part w/ [@PortlandGov](https://twitter.com/PortlandGov) to ensure that systems work FOR communities, not against them. When communities come together to determine their own futures, things change for the better. [#tbt pic.twitter.com/k1f6CArN03](https://pic.twitter.com/k1f6CArN03)
