Early Registration: As part of our Parks Levy commitment, we are working to improve access for underserved communities, which include but are not limited to people of color, seniors, teens, households experiencing poverty, immigrants and refugees, and people living with disabilities. PP&R provides information to local community organizations who share early registration opportunities with their community members. **This may result in some activities being full prior to general registration opening day.**

Interested organizations can email parks.recreation@portlandoregon.gov to register as partners or to learn more.

911 will not contact police for screaming naked homeless people cussing about machetes & killing for 24 straight hours keeping neighborhoods awake at night & blocking traffic. 911 will just give you the non emergency number. Defunded Police can't handle noise or homeless calls.

There is no way we reach our climate goals-as a city, state, or nation-without addressing our transportation sector, & combustion vehicles in particular. Thanks to the [@Europarl_EN](#) for taking this bold, decisive action to move us in the right direction. reuters.com/business/autos...

Good to see [@PBOTinfo](#) [@JoAnnPDX](#) has a strong ally for transportation reform on City Council.

[@CommRubio](#) I hope you will push for and support [@PBOTinfo](#) in much more ped/bike infrastructure. It's still not safe... twitter.com/i/web/status/1...

Kudos to Team AVT for an exciting presentation to City Council yesterday. Future plans for Lower Albina can't change the City's harmful past, but [@AlbinaVisionPDX](#)'s thoughtful plan offers hope for the future of this historic cultural hub of the city's African American community.

Today we had a tremendous work session w/ [@AlbinaVisionPDX](#). This project is community-focused/-led, & working to acknowledge/reverse one of [@PortlandGov](#)'s past wrongs by reuniting the neighborhood. Their bold vision was created by & for the community. youtube.com/watch?v=1lMPdY...
