The Community Grants 2025 application period is now open!

This fourth round of funding will support community-led projects that reduce emissions and improve climate resiliency in ways that advance economic, social, and climate justice for our under-resourced communities. [Learn more and apply online by May 27, 2025.](#)

PCEF Virtual Listening Session: Climate Investment Plan full draft

Community Event

This is a virtual event to gather feedback on the next draft of the CIP. We invite the public to provide verbal comments to PCEF staff.

📅 June 1, 2023 5:00 pm – 6:30 pm

About this virtual event

Who: Anyone interested in helping shape the City's Portland Clean Energy Fund program investments that address the climate crisis while advancing racial and social justice.

What: PCEF staff and Committee invite you to a virtual listening session to hear and document community feedback on the [Climate Investment Plan full draft](#) released May 16, 2023.

- You can sign up to provide comment during registration. You may also sign-up to provide comment during the session.
- Individuals will have approximately three to five minutes to share their feedback, depending on the total number of people signed up.
- The draft will be available on our [Climate Investment Plan webpage](#).

Note that this is just one way to provide feedback. You can email us your comments at CleanEnergyFund@portlandoregon.gov.

Public comment period is open May 16 - June 2.

Who: Community members including members of nonprofit organizations interested in informing how the City's Portland Clean Energy Fund program invests its resources to address the climate crisis while advancing racial and social justice.

Where: [Register via Zoom](#)

When: Thursday, June 1, 5-6:30p.m.

[Community Feedback on PCEF's Preliminary Draft of the CIP](#)

May 5, 2023 4:37 pm

Background

PCEF is a City of Portland program that generates \$100 million annually to fund programs and projects that address climate change while advancing racial and justice. At the direction of Portland City Council, PCEF is developing a 5-year Climate Investment Plan to guide the investment of PCEF funds to achieve major carbon reductions in ways that benefit those most impacted by the climate crisis.

We previously published the [preliminary draft of the CIP](#) to start the feedback process. We engaged nonprofits, industry experts, subject matter experts, the general public, and our public partners. The comment period ended April 7, 2023. From this feedback, we strengthened the plan to issue the CIP full draft for additional input.

How we use feedback

We asked and you answered. We are grateful to our community members and partners who have given us valuable feedback throughout this process. You can read about how we have incorporated comments into the CIP development on our [website](#).
