ACTION REQUESTED: UPGRADE

Request	Bureau	Bureau Request	Comments	Criteria	Bureau Requested	
					Yes	No
A-2 [R02016]	Env. Svcs.	Description	<p>This is a request to upgrade from a cargo van to a step van.</p> <p>Electronic Systems Specialists are required to perform field work, which consists of soldering, mechanical and electrical repair, testing, calibration of monitoring devices, assembly of electrical and pneumatic equip-ment and Confined Space Entries. A larger vehicle would provide them with the space to carry all the equipment necessary for 2-3 people accomplishing these tasks.</p>	Requirements Identified?	X

ACTION REQUESTED: RENT/LEASE MORE THAN 6 MOS.

Request	Bureau	Bureau Request	Comments	Criteria	Bureau Requested	
					Yes	No
A-11 [R02027]	Street Systems Management	Description	<p>The interim policy requires authorization for any lease/rental beyond 6 months.</p> <p>This is a request for an extension of a lease that has been in place since October, 1998. This rental vehicle has been used as a back up for two old aerial lift trucks, which are being replaced this year. The Street Systems Management Bureau uses these to maintain the signal lights throughout the City.</p> <p>The replacement vehicles for these trucks should be in service no later than June 30, 2002. The Bureau would like to keep this rental lift truck until those new vehicles are in place.</p>	Requirements Identified?	X

A-12 [R02028]	Street Systems Management	Description	<p>Ordinance #175797 has authorized the purchase of a new vehicle to repair traffic signals throughout the City. The Bureau currently has a rental, which was put into service February 13, 1998, for this purpose.</p> <p>Once the purchase is accomplished, there will be no further need for a rental vehicle.</p> <p>The interim policy requires authorization for any lease/rental beyond 6 months. Since this rental has exceeded 6 months, a request for the rental continuation is being submitted.</p>	Requirements Identified?	X
