SECTION 1. The Council finds that:

1. wsi operates the coordinated workforce development system for the Portland area and has served the City in that capacity since its inception.
2. wsi's North/Northeast One Stop, operated by PCC, wishes to make its services more accessible to residents of North Portland by locating services at the HAP Goalpost building.
3. Clients served by this site experience multiple barriers to employment and require a more intensive service delivery model than the general population.
4. This extra funding (\$40,000) from the supplemental CDBG budget will pay for appropriate service levels for the multiple special populations using the Goalpost One Stop satellite.
5. Funding this type of activity meets the goals and objectives of the Bureau of Housing & Community Development.
6. The CITY now desires to enter into a formal agreement with the Subrecipient to expand the year's activities .
7. There are funds available in the approved FY 2001-2002 Community Development Block Grant (CDBG) program budget for this agreement.

NOW, THEREFORE, the Council directs:

- a. The Commissioner of Public Works is hereby authorized to enter into an agreement with worksystems inc. for the wsi adult 01-02 in a form substantially in accordance with the agreement attached as Exhibit A (attached to the original ordinance only).
- b. The Mayor and City Auditor are hereby authorized to pay for said contract from the Community Development Block Grant and General Fund.

Section 2. The Council declares that an emergency exists because delay in funding would interrupt worksystems inc.'s ability to provide the wsi adult 01-02; therefore, this ordinance shall be in force and effect from and after its passage by Council.
