We CELEBRATE our Neighborhood's DIVERSITY

This novel project acknowledges that we all benefit from the diversity in our neighborhoods.

You can even have a "This is a great neighborhood" party.

You can declare your belief that all people make a contribution to our neighborhoods, regardless of gender, age, race, religion, creed, ability or sexual orientation.

Many businesses will also display this declaration. Please take the time to give the proprietor your support and thanks.

Variety's the very
spice of life.
— William Cowper

Making the declaration is easy – just put this flyer in your window.

If you would like additional copies of this poster, contact your neighborhood coalition office or call Portland's

When you see the flyer in a neighbor's window, thank them for their commitment.
