

RESOLUTION No **35609**

Declare support for Watershed Awareness Month (Resolution)

- Whereas watersheds are the link between the atmosphere, the soil, ecosystems and waterways,
- Whereas watersheds are habitats for plants, animals and water creatures,
- Whereas the Governor of the State of Oregon has proclaimed May as Watershed Awareness Month, acknowledging our dependence on clean healthy watersheds,
- Whereas stewardship of our natural resources is an important element of citizenship,
- Whereas protection of our watersheds is a vital link to the preservation of natural resources for future generations,
- Whereas Citizens, government, business, advocacy groups all have an important role in watershed protection efforts,

Now, therefore, be it resolved that the Portland City Council proclaims support for May as Watershed Awareness Month
