

AMENDMENT NO ONE (1)

CONTRACT NO. 37753

FOR

City of Portland Continuity of Operations Plan

Pursuant to Ordinance No. 181398

This Contract was made and entered into on the 6th day of December, 2007, by and between Public Consulting Group, hereinafter called Contractor, and the City of Portland, a municipal corporation of the State of Oregon, by and through its duly authorized representatives, hereinafter called City.

1. This contract is hereby extended through June 30, 2009.
2. Additional work is necessary as described in the Scope of Work as follows: The scope of work would change to include a written evaluation on the current state of the COOP plans of the City, including intra-city relational dependencies, policies that would allow for COOP implementation and a corrective action plan. This report will become an addendum to the plan which will include results of the BTS and OMF COOP planning documents. In essence the City receives a strategy for future development and written policies that could be used to implement the strategy and the actual COOP activation. The Contractor would also facilitate a city-wide meeting for planning participants and Bureau Directors to discuss findings.
3. Additional compensation is necessary and shall not exceed \$ 80,000.

All other terms and conditions shall remain unchanged and in full force and effect.
