

62 Commute Times - Printable Version - Edit Content

Increase the percentage of residents who commute fewer than 30 minutes between home and work.

In 1990, three-quarters of Multnomah County residents commuted less than thirty minutes to work. By 2005 only two-thirds did so, the lowest point ever recorded for this Benchmark. This number has remained constant through 2007.

Percent of Multnomah County workers who commute less than 30 minutes to work
