Re: PGE Park Renovation

Dear Mayor Adams:

I hereby confirm, on behalf of Major League Soccer, that we have reviewed and approved the PGE Park renovations and plans, specifically the schematic drawings and 50% design development documents. Provided that the renovations are completed in accordance with the approved plans, PGE Park has been approved as the home stadium of the MLS Portland Timbers club.

Thank you for your support of this project. We look forward to opening game in 2011.

Sincerely yours,
