

# Community Development Block Grant Toolkit on Crosscutting Issues

## Module 4: Acquisition and Relocation

Module 4 of the CDBG Toolkit contains statutes, regulations, forms, documents and other resources that will help guide the acquisition and relocation process for state and local government agencies and other organizations using HUD funds. HUD Handbook 1378 provides guidance on the implementation of URA, Section 104(d) and other requirements for HUD-funded programs and projects. HUD publications, forms and other resources available on this CD are useful tools for conducting acquisition and relocation for HUD-funded programs and projects. Additionally, this module of the Toolkit includes a set of training materials on acquisition and relocation crosscutting issues.
