2. In 2001, the City of Portland received a federal award of \$600,000 for work completed on the 1999 contract. In addition to developing the plan, training was required as well as the purchase of equipment and pharmaceuticals for responding to the health and medical consequences of a nuclear, biological or chemical terrorist incident.
3. Since 2004, the City has been awarded \$2,040,509 in supplemental grant funds from the Metropolitan Medical Response System to continue to build on the Regional Concept of Operations.
4. Currently, additional federal funds are available to purchase additional medical supplies and pay for planning travel.
5. No match is required by this grant

- a. The Mayor is hereby authorized to make application to the Department of Homeland Security for a grant in the amount of \$ 317,419.
- b. The Mayor is authorized to provide such information and assurances as are required for the grant period.
