

ORDINANCE No. 183677

*Authorize contract with Parametrix, Inc. to provide transportation planning services for the Central Eastside Parking Management Plan (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The November 2009 "Central Eastside Parking and Travel Choices Scoping Report" established parking as present and future concerns for the Central Eastside Industrial District (CEID). The report identified the significant problems and opportunities affecting parking, and it recommended adopting a comprehensive parking management strategy for the district.
2. The availability and proper management of parking is critical to the ongoing economic vitality of the Central Eastside Industrial District.
3. On February 23, 2010, the City of Portland received proposals for professional services to complete a parking management plan for the Central Eastside Industrial District. After reviewing the proposals Parametrix was selected as the most qualified consultant to complete the work.
4. Parametrix will develop a comprehensive parking management plan for the Central Eastside Industrial District. The plan will identify specific near-term, mid-term and long-term solutions for supplying and managing parking within the district and recommend a strategy for implementing those improvements
5. The Bureau's level of confidence in the cost estimates for this project is medium.

NOW, THEREFORE, the Council directs:

- a. That the Commissioner-in-Charge and the Auditor are hereby authorized to enter into a contract with Parametrix, substantially in accordance with the contract attached to the original of this Ordinance and, by reference, made a part hereof.

Section 2. The Council declares that an emergency exists because parking is a present and future concern for the Central Eastside Industrial District and, with the completion of the Eastside Streetcar, the need for managed parking will become even greater. It is important that the parking plan be completed quickly so parking management tools can be implemented; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
