

**ORDINANCE No. 183707**

- \* Authorize a contract with Washington State Association of Fire Marshals for a fire prevention program and distribution of smoke alarms (Ordinance; Contract No. 30001104)

The City of Portland ordains:

Section 1. The Council finds

1. The Washington State Association of Fire Marshals (WSAFM) is currently operating a program entitled "The Integrated Risk Management Fire Prevention Program" (Program) which distributes smoke alarms to public agencies that will distribute the same among the residents and businesses within their jurisdiction.
2. The WSAFM desires to include Portland Fire & Rescue (PF&R) in its program, and provide smoke alarms to PF&R for distribution within the City of Portland.
3. Under this Program WSAFM will provide up to 6,000 smoke alarms to PF&R at no cost, reimburse PF&R up to \$3,500 for public education materials regarding fire safety, and up to \$80,000 for wages for a PF&R employee to serve as Program Manager.
4. PF&R currently operates a Smoke Alarm program to provide smoke alarms in the homes of residents of the City of Portland.
5. The Fire Inspector Specialist responsible for the current Smoke Alarm Program at PF&R will serve as the Program Manager. Wages incurred for managing this program during the term of the grant will be reimbursed, up to \$80,000.

NOW THEREFORE, The Council directs:

- a. The Commissioner In Charge is hereby authorized to execute an Agreement with Washington State Association of Fire Marshals in a form substantially in accordance with the agreement attached as Exhibit A.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to perform the activities authorized by this Program, and increase the fire and life safety in Portland; therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
