

ORDINANCE No. 183801

* Authorize an Intergovernmental Agreement between the City, TriMet and the Port of Portland for Transit Police Division Services (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Police Bureau manages TriMet Transit Police under Agreement No. 52486, the "Prime Agreement" between the City and TriMet, executed August 30, 2005, as authorized by Ordinance 179499, which was passed by Council August 5, 2005, and amended by Ordinance 181567, which was passed by Council January 30, 2008 and which will expire June 30, 2010.
2. The TriMet Transit Police Division includes sworn law-enforcement personnel from the City, City of Beaverton, City of Cornelius, City of Gresham, City of Hillsboro, Port of Portland, City of Tigard, City of Troutdale, City of Milwaukie, City of Tualatin, City of West Linn, City of Forest Grove, Multnomah County, Washington County and Clackamas County, which are currently provided under related subsidiary agreements.
3. An ordinance will be filed to authorize new Prime Agreement to become effective July 1, 2010 and renew automatically for successive one-year terms through June 30, 2015 unless terminated sooner under the terms of the agreement.
4. The Port of Portland wishes to enter into a related subsidiary agreement with TriMet and the City beginning July 1, 2010 that will renew automatically for successive one-year terms through June 30, 2015, unless terminated sooner under the terms of the agreement.
5. The Port of Portland pays the salaries, overtime, insurance, retirement, and other benefits of its respective officers and personnel serving in the TriMet Transit Police Division. Port of Portland will invoice TriMet for the services provided.
6. This agreement will have no financial impact to the City. TriMet reimburses the City for its costs and directly reimburses the participating agencies for their costs related to the officers assigned to the Transit Police Division.

NOW, THEREFORE, the Council directs:

- a. The Mayor and Auditor are hereby authorized to enter into an agreement substantially in accordance with the agreement attached as Exhibit A.

Section 2. The Council declares an emergency exists because delay in proceeding with this agreement will unnecessarily deprive the Port of Portland, TriMet and the City of the mutual benefits of this agreement. Therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
