

ORDINANCE No. 183808

*Accept a \$170,000 grant from the Oregon Department of Energy's State Energy Program to pay for Smart Park garages lighting fixture upgrades. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds that:

1. In Portland's Climate Action Plan, Resolution 36748, adopted October 28, 2009, the 2030 Objective #1 directs the city to "Reduce the total energy use of all buildings built before 2010 by 25 percent."
2. Objective 18 of the Climate Action Plan, on Local Government Operations, directs Bureaus to "Reduce carbon emissions from City and County operations 50 percent from 1990 levels" and to "identify funding sources to finance energy-efficiency upgrades in City and County facilities."
3. Further, Objective 18 directs Bureaus to "convert street lighting, water pumps, water treatment and other energy intensive operations to more efficient technologies."
4. The American Recovery and Reinvestment Act of 2009, Pub. L. 111-5, (ARRA) was enacted by the US Congress to create jobs, promote economic recovery and provide investments needed to increase economic efficiency that will provide long term economic benefits and stabilize state and local budgets.
5. ARRA has provided funds to the Oregon Department of Energy for competitive State Energy Program (SEP) grants for energy efficiency and renewable energy projects benefiting local governments.
6. Portland's energy efficiency program for city-owned facilities – the City Energy Challenge – has worked cooperatively with bureau managers to identify energy and renewable energy projects to submit for SEP funding.
7. The Oregon Department of Energy has notified the Bureau of Transportation that the Smart Park garage's lighting fixture upgrade project has been approved.
8. The Bureau of Transportation has identified Smart Park lighting fixture upgrades as a project that saves energy and improves the function of the facility.
9. The total project cost is \$170,000.

NOW, THEREFORE, the Council directs:

- a. Mayor Sam Adams is hereby authorized to accept on behalf of the City of Portland a SEP/ARRA grant from the Oregon Department of Energy's State Energy Program (SEP) to help pay for Smart Park lighting fixture upgrades at 4 garages.
- b. The OMF Grants Office is authorized to perform all administrative matters in relation to the grant application, grant agreement or amendments, requests for reimbursement from the grantor, and to submit required online grant documents on the Mayor's behalf.

Section 2. The Council declares that an emergency exists because a delay in accepting the ARRA grant will result in the city not being awarded the grant; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.

Passed by the Council, **MAY 26 2010**

Mayor Sam Adams
