

ORDINANCE No. 183887

Authorize Intergovernmental Agreement and accept funds from Metro in the amount of \$10,000 for the Multifamily Recycling program to support waste reduction and recycling outreach and assistance for multifamily communities in Portland (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Both the State of Oregon and the City of Portland have adopted aggressive waste-reduction goals that rely on increasing recycling for all sectors—residential, multifamily and commercial.
2. Multifamily is defined as any multi-dwelling building or group of buildings that contain(s) five dwelling units or more on a single tax lot, such as apartments, condominiums, mobile home parks, or houseboat moorages. Multifamily also includes certified or licensed residential care housing, such as adult foster care homes or group homes. Over twenty-five percent of Portland residents live in multifamily communities.
3. Multifamily is defined as commercial under the City of Portland’s Administrative Rules regarding solid waste, recycling and compostables.
4. On April 30, 2008, City Council adopted Resolution No. 36601 that established the following goals for the commercial solid waste and recycling system:
 - promote sustainability of the solid waste and recycling system that includes maximum efficiency, equity and economic vitality, improved worker safety and reduced environmental and human health impacts over the entire life cycle of the materials; and
 - minimize the impact of harmful wastes by targeting toxicity and reducing greenhouse gases emissions; and
 - reduce per capita waste generation below 2005 levels by the year 2015; and
 - maximize recovery of all waste with a target of 75% by the year 2015 and promote highest value use of the recovered materials.
5. As of July 2005, Solid Waste and Recycling Administrative Rules mandate that all recycling and garbage companies collect recyclables from multifamily complexes using a two-sort system. To support property managers, owner, tenants and garbage and recycling companies implementing this requirement, the City of Portland delivers a recycling program that providing free resources and technical assistance targeted at multifamily properties.
6. Metro has committed \$10,000 to help the City of Portland pay for the placement of an AmeriCorp member; the remaining \$1,200 needed to fully fund the position will be paid out of the Solid Waste Management Fund.

NOW, THEREFORE, the Council directs:

- a. The Mayor is hereby authorized to accept on behalf of the City of Portland a grant from METRO for the amount of \$10,000 to execute an intergovernmental agreement for the purpose described in Section 1.
