

An Ordinance placing Stone Monuments at certain points in the Streets in the City of Portland and to regulate the survey of the Streets and Blocks in that portion of the Caruthers Addition lying between the east line of South Front Street and the centre line of South Fourth Street, and to define the boundaries thereof;

Whereas, during the life time of Finice Caruthers Esq: the 22nd and 23rd days of October 1857, He caused to be surveyed and laid off into Blocks and Streets, what is known as Caruthers Addition to the City of Portland embracing twenty (20) Blocks and suitable Streets said blocks numbering from (15) to (29) now for the purpose of carrying out and perfecting said survey

The City of Portland does ordain as follows;

Section 1

That the City Surveyor, ^{be and} is hereby ordered to establish stone monuments at the following described points;

One at the centre line of Front Street where it intersects with the centre line of South Front Street on the north boundary line of Finice Caruthers Land Claim — One at the centre line of Fourth where it intersects with the centre line of South Fourth Street, on the north boundary line of Finice Caruthers Land Claim — One at the intersections of South Front with Sherman Streets — One at the intersection of South Fourth and Sherman Streets —

Section 2 One at the intersection of Fourth and Harrison Streets
 That the center, east, and west lines of South Front, First, Second, Third and the center East lines of South Fourth Streets shall run at right angles to the North boundary line of Finice Caruthers Land Blain and those lines shall commence on said boundary line, at the intersections of the corresponding lines of the streets that they are respectively the deflected extensions of —

Section 3 That all the streets running in an easterly and westerly directions in that portion of the Caruthers addition lying south of the North boundary line, Finice Caruthers Land Blain and between the East line of South Front Street and the center line of South Fourth Street, shall run parallel with said North boundary line, and shall be (60) sixty feet wide —

Section 4 That all Blocks, ^{within the blocks} described in section three of this Ordinance shall be 200 feet wide, where they face the streets running in a northerly and southerly direction — Where the Blocks face the streets running parallel to and with said boundary line, the width shall be determined by the angle of deflection made on said ^{North} boundary line by the extension of South Front, First, Second, Third, and Fourth Streets from Front, First, Second, Third, and Fourth Streets as described in section 2 of this Ordinance —

Section 5 That the Committee on Streets and Public Property, be and are hereby authorized to employ such person or persons as in their judgment they may deem proper in connection with the City Surveyor ^{for the purpose of} establishing the monuments mentioned in section 1 of this Ordinance —

Section 6 All Ordinances or parts of Ordinances or Resolutions in conflict with this ordinance shall be and are hereby repealed —
