ORDINANCE NO. 7393.

An Ordinance adopting the report of the City Surveyor in the matter of the proposed extension of Twenty Fourth street from the south line of Vaughn (formerly "V") street to the north line of Thurman (formerly "T") street in Wilson's Addition to the City of Portland.

THE CITY OF PORTLAND DOES ORDAIN AS FOLLOWS:

SECTION 1:- Whereas the Common Council deeming it expedient to extend, open, lay out and establish Twenty Fourth street in Wilson's Addition to the City of Portland, from the south line of Vaughn formerly "V" street to the north line of Thurman (formerly "T") street and on the 20th day of January 1892, direct the City Surveyor to survey the same, mark the boundaries thereof and make his report of such survey, containing a plat thereof and a full and perfect description of such proposed street extension and the boundaries thereof and of the portion of each tract, or lot or part thereof to be appropriated to public use for such proposed street extension and the City Surveyor having made such survey report and plat and filed the same in the office of the Auditor and Clerk on the 1st day of February 1892 and said report being satisfactory to the Common Council,

NOW THEREFORE, The said report of T.M. Hurlburt City Surveyor, in the matter of the proposed extension of Twenty Fourth street is hereby adopted of which said report the following is a copy to-wit:-

CITY SURVEYOR'S OFFICE.

Portland, Oregon, Jan. 22nd 1892.

TO THE HONORABLE THE COMMON COUNCIL OF THE CITY OF PORTLAND.

Gentlemen:-

In pursuance of a resolution adopted by your Honorable Body at your meeting of January the 20th A.D. 1892, directing me to survey and mark the boundaries of the proposed extension of 24th street in Wilson's Addition to the City of Portland, from the south line of Vaughn (formerly "V") street to the north line of Thurman (formerly "T") street.

I have surveyed and marked the boundaries of the proposed extension of 24th street and here-in submit my report containing a plat of said survey.

The proposed extension of 24th street is 60 feet in width and is more particularly bounded and described as follows, to-wit:-

Beginning at a point in the south line of Vaughn street where the west line of 24th street produced northerly in its present course will intersect thence southerly along said west line of 24th street to the north line of Thurman street; thence easterly along said north line of Thurman street 60 feet to a point where the east line of 24th street produced southerly in its present course will intersect; thence northerly along said east line of 24th street to the south line of Vaughn street; thence westerly along said south line of Vaughn street 60 feet to place of beginning.

The proposed extension of 24th street will include and necessitate the appropriation to public use for such street the following described parcels or tracts of land, to-wit;

All that parcel or tract of land lying between the east and west lines of the proposed extension of 24th street and bounded on the north by the south line of Vaughn street and on the south by a line five feet southerly from and parallel to the north line of Wilson's Addition containing one hundred and thirty two (132) square feet, owner unknown.

Also all that parcel or tract of land lying between the east and west lines of the proposed extension of 24th street and bounded on the south by the north line of Thurman street and on the north by the south line of Wilson's Addition containing eight hundred and eighty eight (888)
