## TERMS AND CONDITIONS

184031

### I. Conditions of Award

- A. The Subgrantee agrees to operate the program as described in the application and to expend funds in accordance with the approved budget unless the Subgrantee receives prior written approval by OEM to modify the program or budget. OEM may withhold funds for any expenditure not within the approved budget or in excess of amounts approved by OEM. Failure of the Subgrantee to operate the program in accordance with the written agreed upon objectives contained in the grant application and budget will be grounds for immediate suspension and/or termination of the grant agreement.
- B. To ensure consistency among statewide planning efforts, the Subgrantee agrees to coordinate grant funded planning projects with OEM, to include assistance with the creation of a scope of work, review and approval of service providers, and overall project direction.
- C. The Subgrantee agrees that funds utilized to establish or enhance state and local fusion centers must support the development of a statewide fusion process that corresponds with the Global Justice/Homeland Security Advisory Council (HSAC) Fusion Center Guidelines and achievement of a baseline level of capability as defined by the Fusion Capability Planning Tool.
- D. The Subgrantee agrees that all publications created with funding under this grant shall prominently contain the following statement: "This document was prepared under a grant from FEMA's Grant Programs Directorate, U.S. Department of Homeland Security. Points of view or opinions expressed in this document are those of the authors and do not necessarily represent the official position or policies of FEMA's Grant Programs Directorate or the U.S. Department of Homeland Security."
- E. The Subgrantee agrees to cooperate with any assessments, national evaluation efforts, or information or data collection requests, including, but not limited to, the provision of any information required for the assessment or evaluation of any activities within this agreement.
- F. By accepting FY 2009 funds, the Subgrantee certifies that it has met NIMS compliance activities outlined in the NIMS Implementation Matrix for State, Tribal, or Local Jurisdictions. Additional information on achieving compliance is available through the NIMS Resource Center at <http://www.fema.gov/emergency/nims/>.
- G. Administrative Requirements, Retention and Access to Records, and Audits.
  1. Administrative Requirements. The Subgrantee agrees to comply with all financial management and procurement requirements, including competitive bid processes and other procurement requirements, and to maintain accounting and financial records in accordance with Generally Accepted Accounting Principles (GAAP) and financial, administrative, and audit requirements as set forth in the most recent versions of the Code of Federal Regulations (CFR) and the Office of Management and Budget (OMB) Circulars. A nonexclusive list of regulations commonly applicable to DHS grants includes:
    - a. Administrative Requirements. 44 CFR Part 13 (Grants and Cooperative Agreements to State and Local Governments) and 2 CFR Part 215 (Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations).
    - b. Cost Principles. 2 CFR Part 225 (State, Local, and Tribal Governments); Part 220 (Educational Institutions); 2 CFR Part 230 (Non-Profit Organizations); and Federal Acquisition Regulations (FAR) Part 31.2 (Contracts with Commercial Organizations).
    - c. Audit Requirements. OMB Circular A-133 (Audits of States, Local Governments, and Non-Profit Organizations).
  2. Retention of Records. All financial records, supporting documentation, and all other records pertinent to this grant or agreements under this grant shall be retained by the Subgrantee for a minimum of five years for purposes of State of Oregon or Federal examination and audit. It is the responsibility of the Subgrantee to obtain a copy of 44 CFR Part 13 and all applicable OMB Circulars, and to apprise itself of all rules and regulations set forth.

3. Access to Records. OEM, Oregon Secretary of State, the Office of the Comptroller, the General Accounting Office (GAO), or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of the Subgrantee and any contractors or subcontractors of the Subgrantee, which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts. The right of access is not limited to the required retention period but shall last as long as the records are retained.
4. Audits. If the Subgrantee expends \$500,000 or more in Federal funds (from all sources) in its fiscal year, the Subgrantee shall have a single organization-wide audit conducted in accordance with the provisions of OMB Circular A-133. Copies of all audits must be submitted to OEM within 30 days of completion. If the Subgrantee expends less than \$500,000 in its fiscal year in Federal funds, the Subgrantee is exempt from Federal audit requirements for that year. Records must be available for review or audit by appropriate officials as provided in Section I.G.3 herein.
5. Audit Costs. Audit costs for audits not required in accordance with OMB Circular A-133 are unallowable. If the Subgrantee did not expend \$500,000 or more in Federal funds in its fiscal year, but contracted with a certified public accountant to perform an audit, costs for performance of that audit shall not be charged to the grant.

#### H. Procurement Standards.

1. The Subgrantee shall follow the same policies and procedures used for procurement from its non-Federal funds. The Subgrantee shall use their own procurement procedures and regulations, provided that the procurement conforms to applicable Federal and State law and standards.
2. All procurement transactions, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner so as to provide maximum open and free competition. **All sole-source procurements in excess of \$100,000 must receive prior written approval from OEM.** Justification for sole-source procurement in excess of \$100,000 should include a description of the program and what is being contracted for, an explanation of why it is necessary to contract noncompetitively, time constraints and any other pertinent information. Interagency agreements between units of government are excluded from this provision.
3. The Subgrantee shall be alert to organizational conflicts of interest or non-competitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. Contractors that develop or draft specifications, requirements, statements of work, and/or Requests for Proposals (RFP) for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award of such procurement. Any request for exemption must be submitted in writing to OEM.
4. The Subgrantee agrees that, to the extent they use contractors or subcontractors, such recipients shall use small, minority, women-owned or disadvantaged business concerns and contractors or subcontractors to the extent practicable.

#### I. Property/Equipment Management and Records Control, and Retention of Records.

1. Property/Equipment Management and Records Control. The Subgrantee agrees to comply with all requirements set forth in 44 CFR Part 13 for the active tracking and monitoring of property/equipment. Procedures for managing property/equipment, whether acquired in whole or in part with grant funds, until disposition takes place, will, at a minimum, meet the following requirements:
  - a. All property/equipment purchased under this agreement, whether by the Subgrantee or a subcontractor, will be recorded and maintained in the Subgrantee's property/equipment inventory system.
  - b. The Subgrantee shall maintain property/equipment records that include: a description of the property/equipment; the manufacturer's serial number, model number, or other identification number; the source of the property/equipment, including the Catalog of Federal Domestic Assistance (CFDA) number; who holds title; the acquisition date; the cost of the property/equipment and the percentage of Federal participation in the cost; the location, use and condition of the property/equipment; and any ultimate disposition data including the date of disposal and sale price of the property/equipment.

- c. A physical inventory of the property/equipment must be taken and the results reconciled with the property/equipment records, at least once every two years.
- d. The Subgrantee agrees that, when practicable, any property/equipment purchased with grant funding shall be prominently marked as follows: "Purchased with funds provided by the U.S. Department of Homeland Security".
- e. Adequate maintenance procedures must be developed to keep the property/equipment in good condition.
- f. A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property/equipment. Any loss, damage, or theft shall be investigated.
- g. The Subgrantee must adequately safeguard all such property/equipment and must assure that it is used solely for authorized purposes.
- h. If the Subgrantee is authorized to sell the property/equipment, proper sales procedures must be established to ensure the highest possible return.
- i. The Subgrantee shall pass on property/equipment management requirements that meet or exceed the requirements outlined above for all subcontractors, consultants, and the subgrantees who receive pass-through funding from this grant agreement.

2. Retention of Property/Equipment Records. Records for property/equipment shall be retained for a period of five years from the date of the disposition or replacement or transfer at the discretion of the awarding agency. Title to all property/equipment and supplies purchased with funds made available under the Homeland Security Grant Program shall vest in the Subgrantee agency that purchased the property/equipment, if it provides written certification to OEM that it will use the property/equipment for purposes consistent with the Homeland Security Grant Program.

J. Funding.

1. Matching Funds. **This Grant does not require matching funds.**
2. Allowable Costs. The Subgrantee agrees that all allocations and use of funds under this Agreement will be in accordance with the Fiscal Year 2009 Homeland Security Grant Program guidance and application kit.
3. Supplanting. The Subgrantee certifies that federal funds will not be used to supplant state or local funds, but will be used to increase the amount of funds that, in the absence of federal aid, would be made available to the Subgrantee to fund programs consistent with Homeland Security Grant Program guidelines.

K. Reports. Failure of the Subgrantee to submit the required program, financial, or audit reports, or to resolve program, financial, or audit issues may result in the suspension of grant payments and/or termination of the grant agreement.

1. Performance Reports.

The Subgrantee agrees to submit performance reports on its progress in meeting each of its agreed upon goals and objectives. The narrative reports will address specific information regarding the activities carried out under the FY 2009 Homeland Security Grant Program and how they address identified project specific goals and objectives.

**Any Performance Report that is outstanding for more than one month past the due date may cause the suspension and/or termination of the grant.** The Subgrantee must receive prior written approval from OEM to extend a performance report requirement past its due date.

2. Financial Reimbursement Reports.

- a. In order to receive reimbursement, the Subgrantee agrees to submit a signed Request for Reimbursement (RFR) which includes **supporting documentation for all grant expenditures**. RFRs may be submitted monthly but no less frequently than quarterly during the term of the grant agreement. **At a minimum, RFRs must be received no later than January 29, 2010; April 30, 2010; July 30, 2010; October 29, 2010; January 31, 2011; April 29, 2011; July 29, 2011; October 31, 2011; and January 31, 2012.**

Reimbursements for expenses will be withheld if performance reports are not submitted by the specified dates or are incomplete.

- b. Reimbursement rates for travel expenses shall not exceed those allowed by the State of Oregon. Requests for reimbursement for travel must be supported with a detailed statement identifying the person who traveled, the purpose of the travel, the times, dates, and places of travel, and the actual expenses or authorized rates incurred.
- c. Reimbursements will only be made for actual expenses incurred during the grant period. The Subgrantee agrees that no grant funds may be used for expenses incurred before **October 1, 2009 or after December 31, 2011.**
- d. The Subgrantee shall be accountable for and shall repay any overpayment, audit disallowances or any other breach of grant that results in a debt owed to the Federal Government. OEM shall apply interest, penalties, and administrative costs to a delinquent debt owed by a debtor pursuant to the Federal Claims Collection Standards and OMB Circular A-129.

3. Audit Reports. The Subgrantee shall provide OEM copies of all audit reports pertaining to this Grant Agreement obtained by the Subgrantee, whether or not the audit is required by OMB Circular A-133.

L. Indemnification.

The Subgrantee shall, to the extent permitted by the Oregon Constitution and by the Oregon Tort Claims Act, defend, save, hold harmless, and indemnify the State of Oregon, OEM, and their officers, employees, agents, and members from all claims, suits and actions of whatsoever nature resulting from or arising out of the activities of the Subgrantee, its officers, employees, subcontractors, or agents under this grant.

The Subgrantee shall require any of its contractors or subcontractors to defend, save, hold harmless and indemnify the State of Oregon, OEM, and their officers, employees, agents, and members, from all claims, suits or actions of whatsoever nature resulting from or arising out of the activities of subcontractor under or pursuant to this grant.

The Subgrantee shall, if liability insurance is required of any of its contractors or subcontractors, also require such contractors or subcontractors to provide that the State of Oregon, OEM, and their officers, employees and members are Additional Insureds, but only with respect to the contractor's or subcontractor's services performed under this grant.

M. Copyright and Patents.

1. Copyright. If this agreement or any program funded by this agreement results in a copyright, OEM and the U.S. Department of Homeland Security reserve a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and authorize others to use, for government purposes, the work or the copyright to any work developed under this agreement and any rights of copyright to which the Subgrantee, or its contractor or subcontractor, purchases ownership with grant support.
2. Patent. If this agreement or any program funded by this agreement results in the production of patentable items, patent rights, processes, or inventions, the Subgrantee or any of its contractors or subcontractors shall immediately notify OEM. OEM will provide the Subgrantee with further instruction on whether protection on the item will be sought and how the rights to the item will be allocated and administered in order to protect the public interest, in accordance with federal guidelines.

- N. Governing Law; Venue; Consent to Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit, or proceeding (collectively, "Claim") between OEM (and/or any other agency or department of the State of Oregon) and the Subgrantee that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court for the State of Oregon; provided, however, if the Claim must be brought in a federal forum, then it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. **The Subgrantee, by execution of this agreement, hereby consents to the In Personam Jurisdiction of said courts.**
- O. Notices. Except as otherwise expressly provided in this Section, any communications between the parties hereto or notice to be given hereunder shall be given in writing by personal delivery, facsimile, or mailing the same by registered or certified mail, postage prepaid to the Subgrantee or OEM at the address or number set forth on page 1 of this Agreement, or to such other addresses or numbers as either party may hereafter indicate pursuant to this section. Any communication or notice so addressed and sent by registered or certified mail shall be deemed delivered upon receipt or refusal of receipt. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine. The parties also may communicate by telephone, regular mail or other means, but such communications shall not be deemed Notices under this Section unless receipt by the other party is expressly acknowledged in writing by the receiving party.
- P. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of OEM, the Subgrantee, and their respective successors and assigns, except that the Subgrantee may not assign or transfer its rights or obligations hereunder or any interest herein without the prior consent in writing of OEM.
- Q. Survival. All provisions of this Agreement set forth in the following sections shall survive termination of this Agreement: Section I. G (Administrative Requirements, Retention and Access to Records, and Audits); Section I. H (Procurement Standards); Section I. I (Property/Equipment Management and Records Control, and Retention of Records); Section I. K (Reports); and Section I. L (Indemnification).
- R. Severability. If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
- S. Relationship of Parties. The parties agree and acknowledge that their relationship is that of independent contracting parties and neither party hereto shall be deemed an agent, partner, joint venturer or related entity of the other by reason of this Agreement.

## II. Subgrantee Compliance and Certifications

- A. Debarment, Suspension, Ineligibility and Voluntary Exclusion. The Subgrantee certifies by accepting funds under this Agreement that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, nor voluntarily excluded from participation in this transaction by any Federal department or agency. (This certification is required by regulations published May 26, 1988, implementing Executive Order 12549, Debarment and Suspension, 44 CFR Part 17.) The Subgrantee shall establish procedures to provide for effective use and/or dissemination of the Excluded Parties List (<http://www.epls.gov/>) to assure that their contractors are not in violation of the nonprocurement debarment and suspension common rule.

1. Certification of Non-discrimination and Civil Rights Compliance. The Subgrantee, and all its contractors and subcontractors, certifies that no person shall be excluded from participation in, denied the benefits of, subjected to discrimination under, or denied employment in connection with any activity funded under this agreement on the basis of race, color, age, religion, national origin, disability, or gender. The Subgrantee, and all its contractors and subcontractors, assures compliance with the following laws, including but not limited to:
  - a. Nondiscrimination Regulation 44 CFR Part 7;

2. Equal Employment Opportunity Program. The Subgrantee, and any of its contractors and subcontractors, certifies that an equal employment opportunity program will be in effect on or before the effective date of this agreement. The Subgrantee must maintain a current copy on file.

Any change to the approved project scope of work will require re-evaluation for compliance with these EHP requirements. If ground disturbing activities occur during project implementation, the Subgrantee must ensure monitoring of ground disturbance and if any potential archeological resources are discovered, the Subgrantee will immediately cease construction in that area and notify FEMA and the appropriate State Historic Preservation Office. Any construction activities that have been initiated without the necessary EHP review and approval will result in a non-compliance finding and will not be eligible for FEMA funding.
3.
