ORDINANCE No. 184042

Amend ordinance to authorize the Director of the Bureau of Transportation to enter into Intergovernmental Agreements with the Portland Development Commission to fund professional, technical, and construction services for transportation improvements (Ordinance, amend Ordinance No. 183429)

The City of Portland ordains:

Section 1.   The Council finds:

1.   The Portland Bureau of Transportation (PBOT) in partnership with the Portland Development Commission (PDC) is planning, developing, and implementing transportation improvements within the designated urban renewal districts.

2.   PBOT and PDC, under their respective charter authorities, are authorized to enter into cooperative agreements for the improvement of the community.

3.   By Ordinance No. 183429, passed by Council on January 6, 2010, Council delegated to the Director of the Bureau of Transportation authority to execute Intergovernmental Agreements with PDC to provide professional, technical, and construction services for transportation improvements, substantially similar in form to the Intergovernmental Agreement attached to the Ordinance, with approval of the City Attorney.

4.   The Intergovernmental Agreement template approved by Council anticipates that either party may hire the other to perform professional, technical, and construction services for transportation improvements.

5.   The purpose of this Ordinance is to clarify that the Director of the Bureau of Transportation also has authority to execute Intergovernmental Agreements with PDC to fund professional, technical, and construction services for transportation improvements, up to $500,000 per agreement.
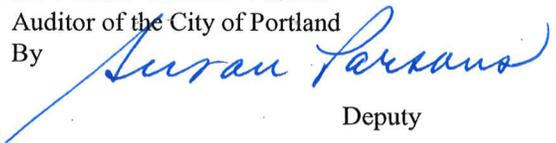

NOW, THEREFORE, the Council directs:

a.   The Council hereby delegates to the Director of the Bureau of Transportation the authority to execute single and multi-year Intergovernmental Agreements between the Bureau of Transportation and the Portland Development Commission, to fund professional, technical, and construction services for transportation improvements, up to $500,000 per agreement, substantially similar in form to the Intergovernmental Agreement attached to the original Ordinance No. 183429.
