

ORDINANCE No. 184077

* Authorize a contract with Crisis Simulations International, LLC for computer simulation training software (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Active shooter situations are among the most challenging situations that City law enforcement officers may face.
2. The Police Bureau has determined that it is important to increase its ability to regularly offer active shooter response training as part of in-service training.
3. It is difficult to regularly offer active shooter response field training due to limited facilities and other demands on in-service training time.
4. Crisis Simulations International (CSI) provides a unique computer simulation model designed to train police and fire personnel for response to disaster and weapons of mass destruction incidents. The Police Bureau determined that the CSI product was uniquely suited for adaptation to its active shooter training needs.
4. CSI agreed to develop an active shooter simulation training package for the Portland Police Bureau for \$50,000. CSI drafted a contract that included the bureau's scope of work which was signed by CSI and the bureau. The contract was not completely executed; however \$25,000 was initially paid to the contractor as part of this agreement.
5. It is in the best interest of the City to complete this project, accept the contract as presented, retroactively authorize the agreement for active shooter simulation training for the Portland Police Bureau, and pay the remaining amount due to CSI.
6. No General Fund money will be used for this contract. Federal asset forfeiture funds were the resource for the initial payment and will be the resource for future payment.

NOW, THEREFORE, the Council directs:

- a. The Mayor is hereby authorized to execute the sole source contract with Crisis Simulations International in a form substantially in accordance with the contractor's contract attached as Exhibit A.
- b. The Mayor and City Auditor are hereby authorized to draw and deliver check(s) payable to the contractor chargeable to the appropriate authorization and accounting center when demand is presented and approved by the proper authorities.

Section 2. The Council declares an emergency exists because delay in proceeding will unnecessarily deprive the Portland Police Bureau of the training benefits of this contract, therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
