ORDINANCE No. 184098

* Authorize a one-time addition to pay for transferred Portland Development Commission employees for purchase of July 2010 and/or August 2010 monthly transit pass. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. On July 1, 2010, 36 Portland Development Commission ("PDC") employees transferred to City of Portland via Ordinance No. 183903.
2. The Employee Transfer Agreement (Intergovernmental Agreement No. 30001466) included a provision to waive certain waiting periods for transferring employees who were already participating in PDC benefit programs. Because of the mechanics of the City's Transit Reduction Incentive Program, the City was not able to make this adjustment for those employees enrolled for PDC's transit program, who incurred additional cost for their monthly transit pass as a result of the transfer for the first two months of City employment.
3. Accordingly, the Director of the Bureau of Human Resources recommends that a one-time addition to pay of \$38.00 for each monthly transit pass purchased be provided to impacted employees for the first two months of City employment in order to offset the financial consequence of the transfer.
4. The total cost is \$936.00 and money is available through existing funding sources of the Portland Housing Bureau.

NOW, THEREFORE, the Council directs:

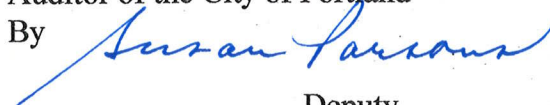

- a. A one-time addition to pay of \$38.00 per month will be provided to 16 former PDC employees who transferred to City employment on July 1, 2010, and who were enrolled in PDC's transit benefit program, to offset the cost of purchase of a monthly transit pass, for a total cost to the City of \$936.00.
- b. The addition to pay will be provided to transferred employees for transit passes purchased for the months of July 2010 and August 2010 only.

Section 2. The Council declares that an emergency exists in order that this transaction may occur without delay; therefore, this ordinance shall be in full force and effect from after its passage by the Council.
