Re: **Northwest District Plan (NWDP) Remand —Changing Effective Date**

On June 17, 2010, Council readopted the last parts of the NW Area Plan. This included amendments to the Zoning and Comprehensive Plan maps that were affected by LUBA's remand.

The readoption set an effective date of December 1, 2010 in anticipation of approval of these amendments by the Metro Council in August 2010. Metro Council's actions are effective 90 days after adoption.

Because the Metro Council did not adopt these amendments until September 16, 2010, this ordinance changes the effective date to January 2, 2011.

This ordinance is on Council's Consent Agenda for September 29, 2010.

Supervising Planner Sandra Wood can be reached at 823-7949 for questions.
