*Accept a grant in the amount of \$538,380 from the Oregon Department of Transportation for design engineering and authorize an Intergovernmental Agreement for disbursement of funds for the North Portland Road and Columbia Boulevard Intersection Project (Ordinance)

The City of Portland ordains:

Section 1. The Council finds

1. The Portland Bureau of Transportation in 2006 applied to Metro through the Metropolitan Transportation Improvement Program for a grant in the amount of \$538,380 for design engineering of the North Portland Road and Columbia Boulevard Intersection Project.
2. Metro has notified the City of Portland that it will award a grant for the North Portland Road and Columbia Boulevard Intersection Project to Portland Bureau of Transportation in the amount of \$538,380, to be administered by the Oregon Department of Transportation.
3. The project will provide project development and design engineering services necessary to implement elements of the St Johns Truck Strategy, adopted by Council on July 11, 2001.

NOW, THEREFORE, the Council directs:

- a. The Mayor is hereby authorized to accept on behalf of the City of Portland a grant from ODOT for the North Portland Road and Columbia Boulevard Intersection Project in the amount of \$538,380 and to execute an intergovernmental agreement in substantially the form of the attached exhibit for this purpose.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to perform the activities authorized by the grant; therefore, this Ordinance shall be in full force and effect from and after its passage by Council.
