MASTER BOND DECLARATION

THIS MASTER BOND DECLARATION (CENTRAL EASTSIDE URBAN RENEWAL AREA) is executed as of March __, 2011, by the Debt Manager of the City of Portland, Oregon pursuant to the authority granted to the Debt Manager by City Ordinance No. _____ to establish the terms under which the City's Central Eastside Urban Renewal and Redevelopment Bonds may be issued.

Section 1. Findings.

The Council finds:

1.1. The City and the Portland Development Commission have formed the Central Eastside Urban Renewal Area (the "Area") in compliance with the requirements of Oregon law. The ordinance approving the urban renewal plan was enacted on August 26, 1986, and no petitions were filed with the City or the Portland Development Commission seeking to refer the ordinance creating the plan and the Central Eastside Urban Renewal Area to City voters. Ordinance No. _____ established a maximum indebtedness of \$ _____ for the Plan.

1.2. This Declaration provides the terms under which the City may issue obligations that are secured by a lien on the Divide the Taxes Revenues of the City's Central Eastside Urban Renewal Area.

Section 2. Definitions.

- (i) Interest which is to be paid from proceeds of Bonds shall be subtracted.

(iii) Bonds which are subject to contingent redemption or tender shall be treated as maturing on their stated maturity dates.

(iv) Variable Rate Obligations shall bear interest from the date of computation until maturity at their Estimated Average Interest Rate.

(v) Each Balloon Payment shall be assumed to be paid according to its Balloon Debt Service Requirement.

(vi) City Payments to be made in the Fiscal Year under a Parity Exchange Agreement shall increase Annual Debt Service, and Reciprocal Payments to be received in the Fiscal Year under a Parity Exchange Agreement shall reduce Annual Debt Service.

Pursuant to ORS 287A.325, these pledges shall be valid and binding from the time of the adoption of this Declaration. The amounts so pledged and hereafter received by the City shall immediately be subject to the lien of these pledges without any physical delivery or further act, and the lien of these pledges shall be superior to all other claims and liens whatsoever.

3.3. The provisions of this Declaration shall constitute a contract with the Owners, and shall be enforceable by them.

Section 4. The Tax Increment Fund.

The City has previously established the Tax Increment Fund. The Tax Increment Fund shall contain the Parity Indebtedness Fund and the Subordinate Indebtedness Account. The City may create subaccounts in these funds to the extent permitted by this Declaration, but it shall not create additional funds in the Tax Increment Fund. The Parity Indebtedness Fund shall contain the Debt Service Account and the Reserve Account.

4.1. Deposits to the Tax Increment Fund.

(A) On the date the first Series of Parity Indebtedness is issued and in each fiscal year thereafter until all Bonds are paid or defeased, the City shall deposit all Divide the Taxes Revenues and Federal Interest Subsidies in the Tax Increment Fund, and shall credit each deposit to the following accounts within the Tax Increment Fund in the following order of priority:

- (1) Subject to Section 5.1(B), to the Debt Service Account, until the Debt Service Account contains an amount sufficient to pay the Annual Debt Service for that Levy Year;
 - (2) To the Reserve Account, if the balance in any subaccount of the Reserve Account as determined on the immediately past Valuation Date is less than its Reserve Funding Requirement, until the balances in all subaccounts of the Reserve Account are equal to their Reserve Funding Requirements; and,
 - (3) To the Subordinate Indebtedness Account, any amounts which remain after the foregoing deposits have been made.
- (B) Whenever Federal Interest Subsidies are received by the City, if the Debt Service Account already contains amounts sufficient to pay the remaining Annual Debt Service for the Levy Year, the City shall nevertheless deposit those Federal Interest Subsidies in the Debt Service Account, but shall release an equal amount of Divide the Taxes Revenues that were previously deposited in the Debt Service Account, and apply the released Divide the Taxes Revenues first, as provided in Section 4.1(A)(2) and second, as provided in Section 4.1(A)(3).
- 4.2. Debt Service Account.
- (A) Money in the Debt Service Account shall be used only to pay Bond principal, interest and premium.
 - (B) Amounts credited to the Debt Service Account may be invested in Permitted Investments which mature within one year or in the City's investment pool. Earnings shall be credited as provided in Section 4.5.
 - (C) Five (5) days before any payment of principal, premium or interest on the Bonds is due, if the balance in the Debt Service Account is less than the amount due, the City shall credit to the Debt Service Account an amount equal to the deficiency from Central Eastside Tax Increment Revenues in the following accounts in the following order of priority:
 - (1) First, from the Subordinate Indebtedness Account; and,
 - (2) Second, from any subaccount in the Reserve Account and any available Reserve Credit Facility that secures the Bonds for which the payment is due, but only to the extent required to pay Bonds that are secured by that subaccount or Reserve Credit Facility.
 - (D) If, after the credits described in Section 4.2(C), the balance credited to the Debt Service Account is not sufficient to pay the Bond principal, premium or interest that is then due, the amount credited to the Debt Service Account shall be applied to *pro rata* to pay the amounts that are then due.

4.3. Reserve Account.

- (A) The City shall create a Reserve Account in the Parity Indebtedness Fund, and may create subaccounts in the Reserve Account to secure Bonds. When each subaccount is created, the City shall determine whether the subaccount will secure one or more Series of Bonds. If the City creates a subaccount in the Reserve Account, the City shall, before it issues the first Series of Bonds that is secured by that subaccount, establish the Reserve Funding Requirement, withdrawal procedures, replenishment requirements, permitted investments, valuation provisions, and other terms and conditions for that subaccount and pledge amounts credited to that subaccount to pay the Bonds that are secured by that subaccount.
- (B) The City shall not create any subaccounts in the Reserve Account for any purpose except securing Bonds in accordance with this Declaration.

4.4. Subordinate Indebtedness Account. Central Eastside Tax Increment Revenues in the Subordinate Indebtedness Account may be used at any time for any legal purpose permitted under Chapter 457 of the Oregon Revised Statutes. However, if the balance in any subaccount of the Reserve Account is less than the amount specified in the Reserve Funding Requirement for that Subaccount, Central Eastside Tax Increment Revenues credited to the Subordinate Indebtedness Account shall be used to eliminate that deficiency before money in the Subordinate Indebtedness Account is used for any other purpose.

4.5. Earnings. Except as provided below in this Section 4.5, earnings on all funds and accounts in the Tax Increment Fund shall be credited to the Subordinate Indebtedness Account. While the balance in any subaccount in the Reserve Account is less than the amount specified for that subaccount in the applicable Reserve Funding Requirement, earnings on all accounts in the Tax Increment Fund shall be credited to the deficient subaccounts in the Reserve Account, *pro rata* based on the amounts of the deficiencies. If a Reserve Subaccount is funded with Bond proceeds, and the balance in that Reserve Subaccount is equal to its Reserve Funding Requirement, earnings on that Reserve Subaccount shall be credited to the Debt Service Account at the beginning of each Levy Year.

Section 5. Parity Indebtedness.

5.1. Except as provided in Section 5.2, the City may issue Parity Indebtedness only if all of the following conditions are met:

- (A) As of the date of Closing of the Parity Indebtedness, no Event of Default under this Declaration has occurred and is continuing.
- (B) On or before the date of Closing of the Parity Indebtedness the City provides either:
 - (1) a certificate of the Debt Manager stating that the Central Eastside Tax Increment Revenues for the Base Period at least equaled one hundred and forty percent (140.00%) of the Adjusted Maximum Annual Debt Service on all then

Outstanding Bonds, with the proposed Parity Indebtedness treated as Outstanding; or,

(2) both of the following:

- (I) a certificate or opinion of a Qualified Consultant:
 - (a) stating the projected amount of the Central Eastside Tax Increment Revenues for the Fiscal Year in which the proposed Parity Indebtedness is issued and the projected amount of the Central Eastside Tax Increment Revenues for each of the four Fiscal Years after the Fiscal Year in which the proposed Parity Indebtedness are issued; and,
 - (b) concluding that the respective amounts of projected Central Eastside Tax Increment Revenues in each of the Fiscal Years described in Section 5.1(B)(2)(I)(a) are at least equal to one hundred and forty percent (140.00%) of the Adjusted Annual Debt Service for each of those respective Fiscal Years on all Outstanding Bonds, with the proposed Parity Indebtedness treated as Outstanding; and,
 - (c) stating the projected amount of the Central Eastside Tax Increment Revenues for the fifth Fiscal Year after the Fiscal Year in which the Parity Indebtedness are issued; and,
 - (d) concluding that this amount described in Section 5.1(B)(2)(I)(c) is at least equal to one hundred and forty percent (140.00%) of the Adjusted Maximum Annual Debt Service on all Outstanding Bonds, with the proposed Parity Indebtedness treated as Outstanding; and,
- (II) a certificate of the Debt Manager stating that the Central Eastside Tax Increment Revenues for the Base Period at least equaled one hundred percent (100.00%) of the Adjusted Maximum Annual Debt Service on all then Outstanding Bonds, with the proposed Parity Indebtedness treated as Outstanding.

5.2. The City may issue Parity Indebtedness to refund Outstanding Bonds without complying with Section 5.1 if:

- (A) the refunded Bonds are defeased on the date of delivery of the refunding Parity Indebtedness; and,
- (B) the Annual Debt Service on the refunding Parity Indebtedness does not exceed the Annual Debt Service on the refunded Bonds in any Fiscal Year by more than \$5,000.

- (C) In addition to allowing refunding of Parity Indebtedness which is not a Balloon Payment, this Section 5.2 is intended to allow Balloon Payments to be refunded with Parity Indebtedness when the Annual Debt Service on the refunding Parity Indebtedness does not exceed the Balloon Debt Service Requirement for the refunded Balloon Payment in any Fiscal Year by more than \$5,000.

5.3. An Exchange Agreement may be a Parity Exchange Agreement and Parity Indebtedness if the obligation to make City Payments under the Exchange Agreement qualifies as Parity Indebtedness under Section 5, after the Reciprocal Payments under the Exchange Agreement are applied to adjust Annual Debt Service. Any Parity Exchange Agreement shall clearly state that it is a Parity Exchange Agreement and has qualified as Parity Indebtedness under Section 5 of this Declaration. In addition, the City may replace a Parity Exchange Agreement with another Parity Exchange Agreement without qualifying the replacement Exchange Agreement under Section 5 if the replacement does not increase the Annual Debt Service in any Fiscal Year by more than \$5,000.

5.4. All Parity Indebtedness issued in accordance with this Section 5 shall have a lien on the Central Eastside Tax Increment Revenues and Federal Interest Subsidies which is equal to the lien of all other Outstanding Bonds.

5.5. The Estimated Average Interest Rate for Variable Rate Obligations shall be calculated as provided in this Section.

- (A) For purposes of calculating Annual Debt Service for determining compliance with Section 7.5, 7.6, 7.8, 7.9, 7.10 and 7.11: the Estimated Average Interest Rate for Tax-Exempt Bonds means the average SIFMA Index for the 52 week period that ends on or immediately before the end of the month preceding the month in which the calculation is made, expressed as an annualized interest rate, plus fifty basis points (0.50%); and the Estimated Average Interest Rate for Taxable Bonds means the average One Month LIBOR Rate for the 52 week period that ends on or immediately before the end of the month preceding the month in which the calculation is made, expressed as an annualized interest rate, plus fifty basis points (0.50%). For purposes of this section "One Month LIBOR Rate" means the British Banker's Association average of interbank offered rates in the London market for United States Dollar deposits for a one month period as reported in the Wall Street Journal or, if not reported in such newspaper, as reported in such other source as may be selected by the City.

- (1) Unless Section 5.5(A)(2) applies, for purposes of calculating Annual Debt Service for the tests for issuing Parity Indebtedness under Section 5, the Estimated Average Interest Rate for any Series of Variable Rate Obligations: (i) that are Tax-Exempt Bonds means the average of the weekly Bond Buyer 20 Bond Index for the 52 week period that ends on or immediately before the last day of the month that precedes the month in which the Parity Indebtedness is sold, expressed as an annualized interest rate; and (ii) that are Taxable Bonds means the average rate on United States Treasury bills maturing in ten years, as reported in the Wall Street Journal or, if not reported in such newspaper, as

reported in such other source as may be selected by the City, for the 52 week period that ends on or immediately before the last day of the month that precedes the month in which the Parity Indebtedness is sold, expressed as an annualized interest rate, plus two percent (2.00%).

- (2) For any Series of Variable Rate Obligations that have been outstanding for at least 52 weeks at the end of the period described in Section 5.5(A)(1), if the actual, annualized rate on that Series during that 52 week period is greater than the average, annualized rate described in Section 5.5(A)(1), the Estimated Average Interest Rate for that Series means the average of the actual rates on that Series during that 52 week period, expressed as an annualized interest rate.
- (B) To determine the amount that is required to be maintained in the First Reserve Subaccount, the Estimated Average Interest Rate for a Series of Parity Indebtedness that is secured by the First Reserve Subaccount and consists of Tax-Exempt Bonds shall be the average of the weekly Bond Buyer 20 Bond Index for the 52 week period that ends on or immediately before the last day of the month that precedes the month in which the Parity Indebtedness is sold, expressed as an annualized interest rate. To determine the amount that is required to be maintained in the First Reserve Subaccount, the Estimated Average Interest Rate for a Series of Parity Indebtedness that is secured by the First Reserve Subaccount and consists of Taxable Bonds shall be the average rate on United States Treasury bills maturing in ten years, as reported in the Wall Street Journal (or if not reported in such newspaper, as reported in such other source as may be selected by the City) for the 52 week period that ends on or immediately before the last day of the month that precedes the month in which the Parity Indebtedness is sold, expressed as an annualized interest rate, plus two percent (2.00%). This calculation of Estimated Average Interest Rate shall be used for that Series of Parity Indebtedness Obligations as long as that Series of Parity Indebtedness Obligations is Outstanding. This rule shall be used to calculate the amount that is required to be maintained in other subaccounts of the Reserve Account unless otherwise provided in subsequent Supplemental Declarations.

5.6. The Estimated Debt Service Requirement for Balloon Payments shall be calculated in accordance with this Section 5.6.

- (A) Whenever a Balloon Payment will be Outstanding on the date a Series of Parity Indebtedness is issued, the Debt Manager shall prepare a schedule of principal and interest payments for a hypothetical Series of Parity Indebtedness that refunds each Outstanding Balloon Payment in accordance with this Section 5.6. The Debt Manager shall prepare that schedule as of the date the Parity Indebtedness is sold, and that schedule shall be used to determine compliance with the tests for Parity Indebtedness in Section 5.
- (B) Each hypothetical Series of refunding Parity Indebtedness shall be assumed to be paid in equal annual installments of principal and interest sufficient to amortize the principal amount of the Balloon Payment over the term selected by the Debt Manager; however, the Debt Manager shall not select a term that exceeds the lesser of 20 years from the date on which the Series of Parity Indebtedness containing the Balloon Payment is issued or

the City's estimate of the remaining weighted average useful life (expressed in years and rounded to the next highest integer) of the assets which are financed with the Balloon Payment. The annual installments shall be assumed to be due on the first day of each Fiscal Year, with the first installment due at least six months after the date on which the Estimated Debt Service Requirement is calculated.

- (C) The hypothetical Series of refunding Parity Indebtedness shall be assumed to bear interest at the Debt Manager's estimate of the average rate that a Series of Parity Indebtedness would bear if it is amortized as provided in Section 5.6(B) and is sold at the time the schedule described in Section 5.6(A) is prepared.

Section 6. Subordinate Indebtedness.

The City may issue Subordinate Indebtedness only if the Subordinate Indebtedness complies with the requirements of this Section 6. Subordinate Indebtedness shall not be payable from any account of the Tax Increment Fund except the Subordinate Indebtedness Account or a subaccount of the Subordinate Indebtedness Account. All Subordinate Indebtedness must state clearly that:

- 6.1. It is secured by a lien on or pledge of the Central Eastside Tax Increment Revenues which is subordinate to the lien on, and pledge of, the Central Eastside Tax Increment Revenues for the Bonds; and,
- 6.2. It is not payable from any account of the Tax Increment Fund except the Subordinate Indebtedness Account or a subaccount of the Subordinate Indebtedness Account.

Section 7. General Covenants.

The City hereby covenants and agrees with the Owners of all Outstanding Bonds as follows:

- 7.1. The City shall promptly cause the principal, premium, if any, and interest on each Series of Bonds to be paid as they become due in accordance with the provisions of this Declaration and any Supplemental Declaration, but solely from the Security.
- 7.2. The City shall maintain complete books and records relating to the Tax Increment Fund, the Central Eastside Tax Increment Revenues and the Bonds in accordance with generally accepted accounting principles, and will cause such books and records to be audited annually at the end of each Fiscal Year as required by law, and will make the audits available for inspection by the Owners.
- 7.3. The City shall issue obligations which have a lien or claim on the Security which is on a parity with the lien and claim of the Owners only as provided in Section 5.
- 7.4. The City shall refinance or otherwise provide for the payment of any Balloon Payments not later than the date on which the Balloon Payments are actually due.

7.5. Before the City or the Commission reduces the Area the Debt Manager shall project the Central Eastside Tax Increment Revenues which will be available from the Area after it is reduced. Neither the City nor the Commission shall reduce the Area unless the Debt Manager reasonably projects that the Area, after the reduction, will have Central Eastside Tax Increment Revenues which are at least equal to one hundred forty percent (140.00%) of the Adjusted Maximum Annual Debt Service on all then Outstanding Bonds (calculated as if all Outstanding Bonds were part of a single Series).

7.6. Before the City or the Commission increases the Maximum Indebtedness for the Area the Debt Manager shall project the Central Eastside Tax Increment Revenues which will be available from the Area after the Maximum Indebtedness is increased. Neither the City nor the Commission shall increase the Maximum Indebtedness unless the Debt Manager reasonably projects that increasing the Maximum Indebtedness will not cause Central Eastside Tax Increment Revenues to fall below one hundred forty percent (140.00%) of the Adjusted Maximum Annual Debt Service on all then Outstanding Bonds (calculated as if all Outstanding Bonds were part of a single Series).

7.7. The City and the Commission may approve, grant or provide property tax exemptions, or programs that provide property tax exemptions, that affect property in the Area without limitation, but only if the programs providing those exemptions:

- (A) Are in effect on the date of this Declaration;
- (B) Replace or renew programs that are in effect on the date of this Declaration; or,
- (C) Only grant exemptions for the value of newly constructed property.

7.8. Except as provided in Section 7.7, neither the City nor the Commission shall approve, grant or provide any "Nondiscretionary Exemption Program" (as defined below in this Section 7.8 which causes the Central Eastside Tax Increment Revenues that will be available from the Area after the program is in effect, as reasonably projected by the Debt Manager, to fall below one hundred forty percent (140.00%) of the Adjusted Maximum Annual Debt Service on all then Outstanding Bonds (calculated as if all Outstanding Bonds were part of a single Series).

"Nondiscretionary Exemption Program" means a property tax exemption program that affects property in the Area and that grants any person the right to receive a property tax exemption for property in the Area without subsequent, discretionary approval of that exemption by the City pursuant to Section 7.9.

7.9. Except as provided in Section 7.7, neither the City nor the Commission shall approve, grant or provide any "Discretionary Property Tax Exemption" (as defined below in this Section 7.9, which causes the Central Eastside Tax Increment Revenues that will be available from the Area after the exemption is in effect, as reasonably projected by the Debt Manager, to drop below one hundred forty percent (140.00%) of the Adjusted Maximum Annual Debt Service on all then Outstanding Bonds (calculated as if all Outstanding Bonds were part of a single Series).

"Discretionary Property Tax Exemption" means any property tax exemption which the City has the ability to deny because of its impact on Tax Increment Revenues.

7.10. Before the City or the Commission takes formal action to limit the collection of the Divide the Taxes Revenues for a single Fiscal Year under ORS 457.455(1) (or any subsequent statute that allows the City to reduce its collections of Divide the Taxes Revenues for a single Fiscal Year), the Debt Manager shall project the Central Eastside Tax Increment Revenues which will be available from the Area after such action is taken. Neither the City nor the Commission shall reduce collections for that Fiscal Year unless the Debt Manager reasonably projects that the reduction will not cause Central Eastside Tax Increment Revenues for such Fiscal Year to fall below one hundred twenty-five percent (125.00%) of the Adjusted Maximum Annual Debt Service on all then Outstanding Bonds (calculated as if all Outstanding Bonds were part of a single Series).

7.11. Before the City or the Commission takes formal action to permanently limit the future collection of the Divide the Taxes Revenues under ORS 457.455(2) (or any subsequent statute that allows the City to elect to permanently reduce its future collections of Divide the Taxes Revenues), the Debt Manager shall project the Central Eastside Tax Increment Revenues which will be available from the Area after such action is taken. Neither the City nor the Commission shall permanently reduce collections unless the Debt Manager reasonably projects that the reduction will not cause Central Eastside Tax Increment Revenues to fall below one hundred forty percent (140.00%) of the Adjusted Maximum Annual Debt Service on all then Outstanding Bonds (calculated as if all Outstanding Bonds were part of a single Series).

Section 8. Amendment of Declaration.

8.1. The City may enact a Supplemental Declaration to amend this Declaration without the consent of any Owner for any one or more of the following purposes:

- (A) To cure any ambiguity or formal defect or omission in this Declaration;
- (B) To add to the covenants and agreements of the City in this Declaration other covenants and agreements to be observed by the City which are not contrary to or inconsistent with this Declaration as theretofore in effect;
- (C) To confirm, as further assurance, any security interest or pledge created under this Declaration or any Supplemental Declaration;
- (D) To issue Parity Indebtedness or Subordinate Indebtedness;
- (E) To authorize Parity Exchange Agreements, and specify the rights and duties of the parties to a Parity Exchange Agreement; or,
- (F) To make any change which, in the reasonable judgment of the City, does not materially and adversely affect the rights of the Owners of Bonds.

8.2. The City may amend this Declaration for any other purpose, but only if the City obtains the consent of Owners representing not less than fifty-one percent (51%) in aggregate principal

amount of the adversely affected Bonds then Outstanding in accordance with Section 10. However, no amendment shall be valid which:

- (A) Extends the maturity of any Bonds, reduces the rate of interest on any Bonds, extends the time of payment of interest on any Bonds, reduces the amount of principal payable on any Bonds, or reduces any premium payable on any Bonds, without the consent of all affected Owners; or
- (B) Reduces the percent of Owners required to approve Supplemental Declarations.

Section 9. Default and Remedies.

9.1. The occurrence of one or more of the following shall constitute an Event of Default under this Declaration:

- (A) Failure by the City to pay Bond principal, interest or premium when due (whether at maturity, or upon redemption after a Bond has been properly called for redemption) as required by this Declaration;
- (B) Failure by the City to observe and perform any covenant, condition or agreement which this Declaration requires the City to observe or perform for the benefit of Owners of Bonds, which failure continues for a period of 60 days after written notice to the City by the Owners of ten percent or more of the principal amount of Bonds then Outstanding specifying such failure and requesting that it be remedied; provided however, that if the failure stated in the notice cannot be corrected within such 60 day period, it shall not constitute an Event of Default so long as corrective action is instituted by the City within the 60 day period and diligently pursued, and the default is corrected as promptly as practicable after the written notice referred to in this paragraph (B); or,
- (C) The City is adjudged insolvent by a court of competent jurisdiction, admits in writing its inability to pay its debts generally as they become due, files a petition in bankruptcy, or consents to the appointment of a receiver for Central Eastside Tax Increment Revenues.

9.2. The Owners of ten percent or more of the principal amount of Bonds then Outstanding may waive any Event of Default and its consequences, except an Event of Default described in Section 9.1(A)

9.3. Upon the occurrence and continuance of any Event of Default hereunder the Owners of ten percent or more of the principal amount of affected Bonds then Outstanding may take whatever action may appear necessary or desirable to enforce or to protect any of the rights of the Owners of Bonds, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Declaration or in aid of the exercise of any power granted in this Declaration or for the enforcement of any other legal or equitable right vested in the Owners of Bonds by this Declaration or by law. However, the Bonds shall not be subject to acceleration; and, neither the City nor the Commission shall be

required to pay any amounts to Owners (other than the Security) because of an Event of Default described in Section 9.1(A) which occurs because of an insufficiency of the Security.

9.4. No remedy in this Declaration conferred upon or reserved to Owners of Bonds is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Declaration or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. To entitle the Owners of Bonds to exercise any remedy reserved to them, it shall not be necessary to give any notice other than such notice as may be required by this Declaration or by law.

Section 10. Ownership of Bonds.

10.1. For purposes of determining the percentage of Owners consenting to, waiving or otherwise acting with respect to any matter that may arise under this Declaration:

- (A) the initial purchaser of a Series of Bonds may be treated as the Owner of that Series at the time that Series is delivered in exchange for payment; and,
- (B) the issuer of a Credit Facility which insures payment of all principal and interest due on one or more Bonds may be treated as the Owner of all Bonds secured by that Credit Facility.

10.2. For purposes of determining the percentage of Owners taking action under this Declaration, the Owners of Bonds which pay interest only at maturity, and mature more than one year after they are issued shall be treated as Owners of Bonds in an aggregate principal amount equal to the accreted value of such Bonds as of the date the Paying Agent sends out notice of requesting consent, waiver or other action as provided herein.

Section 11. Defeasance.

The City shall be obligated to pay any Bonds which are defeased in accordance with this Section 11 solely from the money and Defeasance Obligations which are deposited in escrow pursuant to this Section 11. Bonds shall be deemed defeased if the City:
