RE: Letter of Commitment
Match for City of Portland Community Risk Reduction Strategy

Dear Mr. Sigrist,

City of Portland commits to matching its 25 percent share (\$6,667) of the \$26,667 estimated cost of the proposed community involvement process of the 2010 Natural Hazards Mitigation Action Plan. Referenced as the Community Risk Reduction Strategy and attached as Attachment A, the 25 % share committed will consist of volunteer and staff hours calculated at the federal rates. City of Portland will amend the 2010 NHMP Risk Reduction Strategy with the decisions and actions of the community involvement project.

Please contact me if you need additional information regarding the public involvement process of the 2010 NHMP Community Risk Reduction Strategy or the City's commitment to match its 25% local share.

Sincerely,

Mayor Sam Adams
