Amendments to Natural Hazard Risk Reduction Strategy

A paragraph will be added to the Introduction (Section 1 page 3) explaining that Chapters 1 through 5 compose the Natural Hazard Risk Reduction Strategy. Table 5-6-1a will be identified as "The Strategy" and that the appendices are supporting or back ground process documents. Table C-4a is the background or working document to the "Strategy" included for reference and is the archive of action ideas that were consolidated and included in the actual "Strategy" or Table 5-6-1a. Anything with a listing of C before it is not the "Strategy".

A Chapter 6 will be created to identify the Community Risk Reduction Strategy as a result of the community involvement process.

The Office of Human Relations will be added as a Responsible and Coordinating bureau for all public involvement items ongoing.

Page 137 & 138- Office of Neighborhood Involvement and Office of Human Relations will be included as Responsible in Action Items ST MH 2, 7 & 9.

Page 138 - Office of Neighborhood Involvement, Office of Human Relations, Cable Communications and Franchise Management will be included in Action Item ST MH 10.
