

ORDINANCE NO. 184937

- * Amend the expenditure authorization for subrecipient contracts for an additional \$10,000 for services to further the goals of the Portland Housing Bureau through the 10-Year Plan to End Homelessness and provide for payment. (Ordinance; amend Ordinance No. 184012)

The City of Portland ordains:

Section 1. The Council finds that:

1. On any given night in Portland/Multnomah County, an estimated 2,500 men, women and children must sleep on the streets or in shelters because they lack a safe place to call home.
2. In December 2004, leaders and citizens of Portland/Multnomah County launched “Home Again – A 10-Year Plan to End Homelessness in Portland and Multnomah County.”
3. Since the 10-Year Plan’s inception, the City of Portland, acting through its Portland Housing Bureau (formerly the Bureau of Housing and Community Development), has been a major funder of the key strategies and services of the 10-Year Plan.
4. The Portland Housing Bureau’s Ending Homelessness Initiative contracts are solidly aligned with the goals of the broader community’s 10-Year Plan.
5. PHB has made \$1,000,000 (one million dollars) in **one-time local funding** available to organizations to deliver homelessness prevention, outreach, housing placement, rent assistance, and income acquisition services for individuals or families experiencing homelessness or at risk of becoming homeless in the City of Portland’s city center district.
6. There remains a critical need for expanded winter shelter and services from November 1st to March 31st to safeguard the lives of vulnerable, unsheltered individuals from inclement weather conditions that pose a threat of severe illness and/or death due to exposure.
7. Enhanced outreach resources are needed to connect the increased number of individuals and families experiencing homelessness in the East County region to services and housing.
8. Funded programs and services have a demonstrated record of success and effectiveness in moving our community towards the bigger goal of ending homelessness.
9. It is the Portland Housing Bureau’s intent to continue funding successful and effective new and/or existing programs at the funding levels identified in Exhibits A and B that exceed \$100,000.

NOW THEREFORE, the Council directs that:

- a. The Bureau Director and City Auditor are authorized to execute agreements with the organizations, for the amounts, and substantially similar in form to those attached hereto, for the purpose described above.
- b. The Mayor and Auditor are hereby authorized to draw and deliver warrants chargeable to the Portland Housing Bureau's operating fund budget when demand is presented and approved by the proper authority.

Section 2. The Council declares that an emergency exists because the program funds must be obligated within required timeframes; therefore, this ordinance shall be in full force and effect from and after its passage by Council.
