

001 - 85
ORDINANCE No. 184402 As Amended

*Authorize an Intergovernmental Agreement with Multnomah County for the design and construction of the Sellwood Bridge Project (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Sellwood Bridge is a deficient structure requiring replacement.
2. From 2006 to 2010, Multnomah County prepared an Environmental Impact Statement (EIS) for the Sellwood Bridge Project.
3. On March 19, 2009, the City Council passed Resolution No. 36692 adopting a locally preferred alternative that selected the new bridge alignment and the type of interchange on the west side with State Highway 43.
4. In May 2010, the Mayor committed to assist with funding of the Sellwood Bridge Project.
5. In September 2010, the Federal Highway Administration issued a Record of Decision for the Sellwood Bridge Project accepting the locally preferred alternative.
6. On October 13, 2010, City Council passed Resolution No. 36820 directing the Office of Management and Finance to finalize the Intergovernmental Agreement with Multnomah County.
7. The Bureau's level of confidence in the cost estimates for this project is low.

NOW, THEREFORE, the Council directs:

- a. That the Commissioner-in-Charge and the Auditor are hereby authorized to enter into an intergovernmental agreement with Multnomah County for the design and construction of the Sellwood Bridge Project, substantially in accordance with the agreement attached to the original of this Ordinance, and, by reference, made a part hereof.
- b. That the Office of Management and Finance are authorized to proceed with bonds sales to fulfill the requirements of the agreement.

Section 2. The Council declares that an emergency exists because any further delay would adversely affect the project schedule; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.

Passed by the Council, **FEB 02 2011**

Mayor Sam Adams
