

**ORDINANCE No. 184420**

Authorize a contract and provide payment for construction of the Stark Inflow Controls Project No. E10003 (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Bureau of Environmental Services needs to construct the Stark Inflow Controls Project in SE and NE Portland. Installing stormwater facilities and replacing some sections of the combined sewer will decrease the risk of sewer backups that impact basements and streets, while reducing combined sewer overflows (CSOs) and enhancing watershed health.
2. The Bureau of Environmental Services has prepared plans and specifications to add new stormwater facilities and replace some sections of combined sewer pipe.
3. The estimated cost is \$621,000. The level of confidence is high. Funds are available in the Sewer System Operating Fund, FY 2010-2011, Bureau of Environmental Services, WBS Element E10003.

NOW, THEREFORE, the council directs:

- a. The Commissioner of Public Affairs is authorized to execute a contract for the purpose described in Section 1.
- b. The Mayor and Auditor are hereby authorized to draw and deliver warrants chargeable to the Sewer System Operating Fund Budget when demand is presented and approved by the proper authority.

Passed by the Council, FEB 16 2011  
Dan Saltzman  
Commissioner of Public Affairs

Scott Gibson
