Glenfair Community Garden

“Neighbors helping neighbors!”

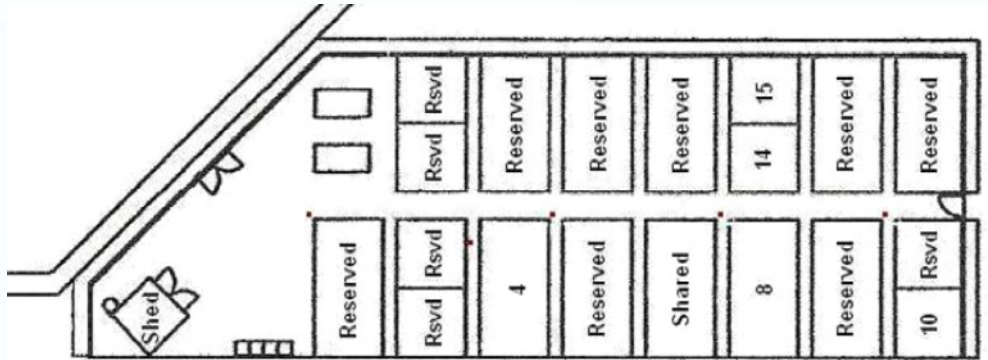

2010-2011

Where we are located...

Glenfair Community Garden

- Located at 143rd and Burnside

- Website: glenfaircommunitygarden.com

In the beginning...

Clearing the land...

Installing the plumbing...

Starting to grow!

David Douglas High School Construction Class builds the shed.

Entrance to the garden and native beds

Hot Composting System and the Children's garden

Garden Harvest Party in October, 2010

Native Plant Beds

Glenfair Garden Today

What We've Gained...

- Collaboration
- Connections
- Appreciation

Garden Evaluation

November, 2010

- Approximately 300 lbs. of produce was raised in Glenfair Community Garden and over 30 lbs was donated to Snow Cap last season.
- Over 500 hours of community volunteer service time was donated between May and November, 2010.
- “I lived here for two years without any real sense of community. This garden plot got me and the kids out of the apartment and meeting our neighbors.”

We Are Thankful!

Without our granters, Glenfair Community Garden would still be just a vision.

Thank you to...

- Portland Neighborhood Small Grants Program
- East Portland Action Plan Grant Program
- Community Watershed Stewardship Grant Program
- Glenfair Evangelical Church
- And all our volunteers and community supporters!

Our neighborhood is a better place through your support!
