

# ORDINANCE No. 184711

Assess benefited properties for street improvements in the SE 31st Ave Local Improvement District (Hearing; Ordinance; C-10026)

The City of Portland ordains:

Section 1. The Council finds:

1. The Council stated its intent to construct improvements in the SE 31st Avenue Local Improvement District (LID) by the passage of Resolution No. 36602 on May 7, 2008 at which time it declared its intent to initiate local improvement district formation proceedings and established the name of the local improvement district.
2. The Council approved formation of the SE 31st Avenue Local Improvement District by the passage of Ordinance No. 181934 on June 18, 2008.
3. The assessment formula is on an abutting linear footage basis, with an estimated rate at LID formation of \$573.35 per assessable abutting linear foot and an actual rate of \$374.40 per assessable abutting linear foot at final assessment. The assessment worksheet is as shown in Exhibit A.
4. The record related to the adoption of Resolution No. 36602 and of Ordinance No. 181934 is incorporated into the record of this Ordinance, except that no part of the record of Resolution No. 36602 nor of Ordinance No. 181934 shall be considered an objection to final assessment for purposes of Section 17.08.130 of City Code, nor for purposes of Section 9-405 of the City Charter.
5. The Council awarded the construction contract to Parker Northwest Paving with the acceptance of the Procurement Report for Bid No. 111555 on May 5, 2010. The City subsequently entered into Contract No. 30001351 with Parker Northwest Paving on May 24, 2010.
6. The 199 centerline feet of street improvements were substantially completed on December 28, 2010 as indicated in Exhibit B. The project has been constructed as provided in the plans and specifications adopted.
7. Completion of this local improvement core work fulfills all SE 31st Avenue abutting frontage improvement requirements from 150 feet north of the north line of SE Francis Street to 349 feet north of the north line of SE Francis Street for which a waiver of remonstrance against formation of a local improvement district would be required in lieu of constructing required frontage improvements under a permit. However, completion of this project does not fulfill any similar such abutting frontage improvement requirements for access from SE Powell Boulevard, which was not within the scope of this local improvement district.

8. The total cost of the project is \$177,547.18 as shown in Exhibit C based on items of work as shown in Exhibit D. The property owners' share for this project is \$149,012.33. Additional funding was provided by the Portland Bureau of Transportation in the amount of \$28,534.85 for absorption of overhead costs.
9. The City Auditor mailed notice of the June 22, 2011 final assessment hearing to owners of benefited properties within the local improvement district on June 1, 2011. The benefited properties are legally described based on Multnomah County property tax records as of the filing date of this ordinance. Each property owner was notified of the time and location of the final assessment hearing conducted by the Council; the total project costs, the deadline and procedure for filing objections to the final assessment of the local improvement district; and the amount of the proposed final assessment on benefited properties as set for in Exhibit E (attached to the original only). The deadline to file objections to final assessment was at 5:00 PM on June 15, 2011.
10. Each property is specially benefited in the amount shown in the assessment roll as set forth in Exhibits A and E.
11. The Local Improvement District Administrator submitted for publication two notices of the local improvement district final assessment hearing in the Daily Journal of Commerce on June 7, 2011 and on June 8, 2011.
12. The Council has considered any and all objections made by owners of benefited properties. The Council accepts the summary of objections and findings as set forth in Exhibit F and adopts these findings as its own.
13. This Ordinance provides for assessment of benefited properties for local improvements. Assessments for local improvements are not subject to the property tax limitation established by Article XI, Section 11b of the Oregon Constitution.
14. In the event of any finding or any directive within this Ordinance conflicting with any prior Council action involving this local improvement district, the finding or directive within this Ordinance shall prevail.
15. The Local Improvement District Administrator's level of confidence in the cost estimate for this project is "High" per Exhibit A of Resolution No. 36430 adopted by Council on July 26, 2006 because the project is complete.

NOW, THEREFORE, the Council directs:

- a. That any and all objections received are overruled and the assessment roll contained in Exhibit E of this Ordinance is hereby approved and adopted.
- b. The City Auditor to enter the assessments as shown in Exhibit E in the Docket of City Liens.
