

CONTRACT NO. 30000150

FOR

Port of Portland, Oregon Intergovernmental Agreement (IGA)

Pursuant to Ordinance No. _____

The **Intergovernmental Agreement ("IGA")** was originally made and entered into on the 9th day of September, 2008, by and between Port of Portland, hereinafter called "Port" or "Recipient", and the City of Portland, a municipal corporation of the State of Oregon, by and through its duly authorized representatives, hereinafter called City.

RECITALS:

1. The Urban Areas Security Initiative (UASI) 2010 grant has been awarded from the US Department of Homeland Security (Grantor) through the State (Grantee) for administration by the City of Portland (Subgrantee).
2. The disposition of the grant funds to different governmental bodies, and the City, was achieved through intergovernmental agreements (IGAs) between the City and these entities. One such agreement was entered into between the City of Portland and the Port of Portland.
3. The City further wishes to amend its IGA with the Port to extend the time of its operation.

NOW, THEREFORE, the parties agree:

1. To comply with all terms of the U. S Department of Homeland Security, Urban Area Security Initiative (UASI) Grant CFDA # 97.008, Grant No. 10-170 award including, but not limited to, obligations regarding reporting, access to records, financial tracking and procurement, and supplanting of funds.

2. Section 4, is amended to read as follows:

Effective Date and Duration: This IGA shall be effective from the date all parties have signed and shall be terminated on December 31, 2012 unless otherwise extended by the parties in writing or this IGA is terminated due to failure of one of the Parties to perform.

3. All other terms and conditions of the existing IGA between the City and Port of Portland, including but not limited to, all terms and conditions as set forth in the Oregon Military Department, Office of Emergency Management, Grant Award Conditions and Certifications as outlined in attached Exhibit A, shall remain unchanged and in full force and effect.
