FY 2011 Gang Resistance Education & Training (G.R.E.A.T.) Program - Local
City of Portland, Oregon Police Bureau
Program Narrative - Attachment 1

Abstract

The Portland, Oregon Police Bureau (PPB) currently utilizes Bureau of Justice Assistance (BJA) grant funds to assist in delivery of all four G.R.E.A.T. Components. The G.R.E.A.T. Program's school-based curriculums are facilitated by 49 certified and active G.R.E.A.T. Officers. The purpose of the PPB G.R.E.A.T. program is to prevent youth crime, violence and gang involvement while building positive relationships with youth. Portland delivers the G.R.E.A.T. curriculum to the majority of middle school students as well as to a growing number of elementary students in three public school districts and one private school in the Portland-Metropolitan area. Portland graduated approximately 3,000 students from G.R.E.A.T. in the 2010-11 school year. The demand for G.R.E.A.T. Families, especially in the Spanish speaking community continues to increase. G.R.E.A.T.'s Summer Component is used in conjunction with multiple community partnerships. Portland collaborates with area non-profit community and sports organizations to continue the concepts of G.R.E.A.T. throughout the summer and make a difference in the lives of 400-500 local at-risk youth. Portland has demonstrated a long and successful history of collaboration and partnership with the citizens, businesses and community organizations of Portland-Metropolitan community. The Portland Police have a well established infrastructure to support the continuance of the G.R.E.A.T. Program.

Problem Statement

The Portland Police Bureau has and will continue to utilize all of G.R.E.A.T.'s components. Fiscal Year 2011 grant funding will aid in the delivery of the Elementary and Middle School Curricula as well as the G.R.E.A.T. Families and Summer Components.

The City of Portland has experienced a continued increase in documented gang presence, gang violence, and its young people display all known gang risk factors that contribute to regular youth violence in the Portland, Oregon area. Note: Youth-related risk factors referenced in this narrative are derived from the National Youth Gang Center's website at <http://www.nationalgangcenter.gov/About/FAQ#q15>

The following specific statistical information was obtained from the Portland Police Bureau's Planning and Support Division using records from the Portland Police Data System (PPDS) and from the State of Oregon Law Enforcement Data System (LEDS). Unless otherwise indicated, this data reflects statistics compiled on juveniles (defined as 17 or younger in Oregon). The data presented is from calendar year 2009. For the sake of comparison, statistics compiled from the 2008 calendar year will be used where appropriate and/or available.

Considered a strong indicator of gun violence is the ready availability of firearms to the population. Oregon has few restrictions on firearm ownership and Portland hosts multiple gun shows annually. New city ordinances related to gun possession by juveniles have been developed. Discharge of a firearm within the very urban Portland City limits is a crime and not a normal or expected occurrence. This information serves to reinforce the following numbers; there were 1,344 reports to 911 of shots fired in the City of Portland during 2009. During 2009 officers responded to 1,498 juvenile-related calls for service.

These criminal incidents and delinquency-related issues ran the gambit from minor disturbances to homicide. In 2009, according to PPDS the following incidents were documented in written reports: 247 cases of Minor in Possession of Alcohol; 207 incidents of curfew violation; 16 truancy violations; 1,835 reported runaways and 791 reports that were classified as

"gang activity." In 2008 there was over 4,000 reported drug offenses involving youth 17 or under.

Starting in the summer of 2008, the City of Portland, along with all surrounding cities have experienced an explosion of gang activity. The Police Bureau's Gang Enforcement Team Intelligence Officer attributes this marked increase of gang activity and youth related crimes in Portland and the surrounding metro area to two contributing factors. First, in the last four years the area has experienced an explosion of youth involvement in all west coast based and L.A.-style Hispanic gangs. Second is a continuing conflict between rival Blood and Crip gang sets.

During 2009 PPDS listed 1,662 documented gang members encompassing all racial and economic backgrounds spread through more than 41 gang sets operating and/or living in the City of Portland. Also during 2009, 326 individuals were new gang member designations and 150 were gang member designation extensions. The Metro Portland Gang Task Force estimates there are 2,000 to 3,000 gang members and associates active in the Portland-Metropolitan area. According to PPB gang intelligence officers, these numbers reflect approximately one quarter to one third of the actual active gang members in the City and surrounding area. The low numbers of documented gang members can be attributed to the restrictive process imposed on police by the State and County for documenting gang members and the reluctance of gang members to self-identify due to the added law enforcement attention that would be imposed.

Also significant, is the observation by gang intelligence officers and school resource officers of a marked increase in the participation of younger persons (ages 10-14) in gang and youth violence related incidents.

Goals and Objectives

The Portland Police Bureau projects it will facilitate both the Middle School and Elementary curriculums in over 20 of the City's schools during the 2011-12 school year. Portland also projects delivering the middle school curriculum to more than 2,000 students and the elementary curriculum to over 900 students. They will facilitate G.R.E.A.T. in 14 of Portland's elementary schools, eight of which have 70% or greater of its student population receiving Title One services. These reported economic and delinquency concerns are strong markers of poor family management and problematic parent-child relations, which contribute significantly to the gang and youth violence issues in our community.

The Portland Police Bureau projects it will facilitate four Families curriculum series reaching a minimum of 22 families. On average each series reaches 24-30 individuals, for a total of 96-120 family members. It is intended that two of these sessions will be the Spanish Families Curriculum. We currently have over 25 G.R.E.A.T. Officers certified in the Families Component as are the two non-sworn support staff who have also been certified as co-facilitators. Two Families certified officers are bilingual and have delivered the Component to Spanish speaking families. The partnership with the Ortiz Community Center was so well received and publicized Portland entered into a partnership with a local church to deliver the program to their Spanish speaking families. As these new partnerships take hold and become institutionalized it is predicted the number of families serviced will only be limited by the G.R.E.A.T. Families Facilitators available.

The Portland Police Bureau's G.R.E.A.T. Program has partnered with numerous organizations over the years to facilitate the delivery of the Summer Component. (See *Collaboration* section below for details) The work/partnership in summer camps has always targeted programs focused on the City's highest-risk youth. During the summer of 2010, over 300 kids were served at NYSP, Boys and Girls Clubs and various sports and housing authority camps. It is expected the number of youth to receive G.R.E.A.T. in 2011 summer programming will increase again as new collaborations become active and existing partnerships mature.

Project Design/Strategy

School Based Curriculums:

Portland currently utilizes all four of G.R.E.A.T.'s Components. The implementation strategy is straight-forward and direct. The G.R.E.A.T. Program is facilitated weekly by certified G.R.E.A.T. Officers in addition to their normal duties (precinct patrol, school police and various command positions). A large part of the local program's strength and success comes from the officers facilitating G.R.E.A.T. in the same areas they patrol and police. If their teaching day does not fall during normal working hours, officers teach on their off time with the grant paying overtime costs.

Portland intends to deliver the G.R.E.A.T. Middle School Curriculum to all City of Portland middle school students eligible to receive it. For the last decade G.R.E.A.T. Program's main target was Title One schools and those who exhibit adolescent problem behaviors. This grant cycle Portland intends to continue its efforts in reaching the highest number of elementary students resources will permit while delivering G.R.E.A.T. to Portland's middle schools. The Portland Police Bureau currently has 49 certified and active G.R.E.A.T. Officers. Since first

being utilized in Portland during the 1993-94 school year, G.R.E.A.T. has been taught by uniformed officers who work all precincts, divisions and shifts.

As the program has become institutionalized and grown, Portland has had personnel from all ranks teaching in Portland's schools. Portland requires officers to teach a minimum of two middle school classes per school year. (Some officers teach more as their schedules and desire dictates.) Every year since its implementation, the number of officers requesting to teach the Elementary Component has increased. Many officers teach both curriculums during the school year. Portland thinks their method of delivering the school based curriculums maximizes the officer's ability to build positive relationships with the youth and families of the community they police.

G.R.E.A.T. is an excellent fit with the Oregon Educational Standards, meeting 20 of Oregon's established benchmarks for both middle and elementary school students. The Portland Public School District is a long time partner and strong supporter of the G.R.E.A.T. Program. They recognize the additional educational and safety benefits carried into the schools by uniformed police officers. Portland Public Schools again showed their confidence in and support of G.R.E.A.T. by agreeing to participate in the newest National Institute for Justice (NIJ) evaluation that began in September of 2006, just as they did in the 1995-2000 NIJ evaluation of the G.R.E.A.T. Program. The addition of G.R.E.A.T. Officers in the City's schools has enhanced school safety and added to the security of both students and faculty. The positive addition and expectation of G.R.E.A.T. Officers as members of the local educational community has become the norm in Portland Public's Middle Schools, in which G.R.E.A.T. has become a fixture.

Portland. Since April 1994 when the G.R.E.A.T. Program and the Police Bureau signed its original agreement with the Parkrose School District, G.R.E.A.T. has been a change agent leading the way for community collaboration and partnerships. As of the 2010-11 school year, Portland's G.R.E.A.T. Program served three public school districts and one private school. Twenty-one schools received the 13-week middle school curriculum, with an additional 14 receiving the six-week elementary curriculum.

Since the spring of 1994, G.R.E.A.T. has facilitated the direct positive contact between 42,602 of Portland's youth with members of the Police Bureau. Portland schools aside, G.R.E.A.T. has been the vehicle for collaboration with numerous community organizations and businesses. The Program has allowed for the strengthening of the bonds between police, young people and the community as a whole. As of July 2011, the Portland Police Bureau and G.R.E.A.T. collaborate and are partners in prevention with the Housing Authority of Portland, the Oregon Air and Army National Guard, Camp Rosenbaum (a youth citizenship summer camp), the Police Activities League (PAL), National Youth Sports Program (NYSP) and the Boys & Girls Clubs of Portland Metropolitan Area. Businesses that have supported G.R.E.A.T. and youth prevention efforts include Nike, Fred Meyer, Adidas, Waste Management, Quiznos, Pizza Hut, and Columbia Sportswear.

G.R.E.A.T. is a collaborative nexus with the Portland Police Bureau including all of its gang enforcement efforts, the Multnomah County Parole and Probation Department, the Multnomah County District Attorney's Office, the U.S. Marshal's Office, and Project Safe Neighborhood Gang Prevention Initiatives in association with Oregon's United States Attorney's

Office. We work with F.B.I.'s Innocent Images Task Force, utilizing their expertise in training the Families officers on how to raise parental awareness on internet safety issues.

Beginning in 2008, the City's Office of Youth Violence Prevention has worked with the Local and Regional G.R.E.A.T. office. This partnership strengthens the bond between local prevention and intervention efforts. These collaborations with G.R.E.A.T. work as a binding agent and form a valuable network to reach out and develop lasting affirmative relationships with all of Portland's youth, especially those at risk of gang involvement, violence and crime. The connections developed through G.R.E.A.T. have and continue to foster relationships between many of the organizations in the Portland area that are stakeholders in our young people's future.

Management and Organizational Capability

The supervisor for Portland Police Bureau's local G.R.E.A.T. Program is Lieutenant John P. Smith (also the West Region Administrator). Lieutenant Smith has been in law enforcement for 28 years. Lieutenant Smith is a certified G.R.E.A.T. Instructor and Families Facilitator. Lieutenant Smith is presently a member of the G.R.E.A.T. Officer National Training Committee. The local G.R.E.A.T. staff includes Officer Mike Paresa who directly supports and manages the local program by coordinating all four G.R.E.A.T. components. This includes where and when the 49 certified G.R.E.A.T. Officers teach, as well as the implementation of G.R.E.A.T. Families Component and assisting in all Summer Programming. Officer Paresa has 23 years law enforcement experience and has been teaching G.R.E.A.T. since 2003. Senior Administrative Specialist (SAS) Joann Alminiana has been involved with the G.R.E.A.T. Program since its implementation in Portland in the fall of 1993. She has worked for the Police Bureau since February of 1985 and has served with distinction in various assignments throughout the

organization. SAS Alminiana has been involved in all aspects of the G.R.E.A.T. Program from grant writing and budget management to daily administrative tasks needed to ensure professional project performance.

The G.R.E.A.T. grant is coordinated by Captain Kevin Modica. He has worked for the Portland Police Bureau for 25 years and has over 30 years of law enforcement experience. Captain Modica has served at many levels of the organization and in numerous job functions and was the original G.R.E.A.T. Regional Administrator for Portland. He currently is the head of Youth Services Division. Under his command are School Resource Officers, Cadet/Reserve Program, Crisis Response Team, Juvenile Runaway Officer, Police Activities League (PAL), and the G.R.E.A.T. Program.

Performance, Evaluation, Sustainability

The Portland Police Bureau was selected as one of seven cities across the country to participate in a NIJ evaluation of G.R.E.A.T. from 2006 – 2011. This evaluation will be the primary tool in measuring the impact and many of the perception based outcomes generated by the local program. Required data provided to BJA through semi-annual reports, such as number of participants in the G.R.E.A.T. Components and agency officers certified in G.R.E.A.T. are collected and correlated by SAS Alminiana. This data is used continually as an indicator of ongoing progress and as a program road. Portland will utilize the course assessment tools provided by BJA. This process will be overseen by Officer Paresa and SAS Alminiana and will be implemented by the G.R.E.A.T. Officers in all Middle School Component classrooms.

Portland has been teaching G.R.E.A.T. in Portland since the 1993-94 school year. It has maintained and sustained the program largely through grant funds in those 17 years. The success and popularity of the program motivated the creation of the local G.R.E.A.T. Trust Fund in 1996. The Fund is maintained through community donations. The G.R.E.A.T. Trust Fund has been used to supplement local programming needs and will be used in conjunction with City monies for funding the G.R.E.A.T. Program when federal grant revenue ends. As outlined in previous sections, the collaborations and partnerships generated through G.R.E.A.T. have been catalysts for positive change and solid relationship building for years. The City of Portland, in line with specific gang prevention directives and priorities set forth by the Office of the Mayor, is committed to community policing and the positive effects the G.R.E.A.T. Program has demonstrated in the City's schools and neighborhoods. Portland will continue G.R.E.A.T. at the local level as part of its comprehensive plan to combat gangs and youth violence despite programmatic and funding changes at Federal levels.
