1) Legislation Title:

* Create a new Nonrepresented classification of Parks Maintenance Supervisor II and establish a compensation rate for this classification. (Ordinance)

2) Purpose of the Proposed Legislation:

The Portland Bureau of Parks & Recreation requested a review of a Parks Maintenance Supervisor position due to an increased level of responsibility and political sensitivity required to manage the city's highest-profile parks in the downtown core. BHR reviewed the request and found the position warrants a higher level. The original position will be re-titled to Parks Maintenance Supervisor I to reflect the distinction between the positions. BHR also reviewed the compensation level of the new classification, and is recommending a Nonrepresented salary range 7. This is an emergency ordinance so that this compensation action can be made effective without delay.

There is no increased cost in salary and benefits for this compensation action. The position already exists in the current budget and the salary of the employee will not change as a result of this action. However, the Bureau may in accordance with HR Rules request the salary of the employee be moved up on the range which would result in additional costs. Currently the annual maximum rate for this classification is \$76,586. This ordinance will raise it to \$80,475, an increase of \$3,889.

6) Staffing Requirements:

- **Will any positions be created, eliminated or re-classified in the current year as a result of this legislation?** *(If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions.
