Goals: Goals are based on the number of people who will require any of the identified services at current funding levels.

Renter and Owners: Based on CHAS data.

Elderly: Based on CHAS data; defined as one or two member households with either person 62 years old or older who are renters living at or below 50 percent of the AMI with a housing cost burden greater than 30 percent of their income and/or overcrowding and/or without complete kitchen or plumbing facilities.

Frail Elderly: Based on CHAS data; defined as households who meet the definition of elderly and are renters living at or below 50 percent of the AMI with a housing cost burden greater than 30 percent of their income with an additional condition that limits substantially one or more basic physical activities, such as walking, lifting, carrying and/or a physical, mental, or emotional condition lasting more than six months that creates difficulty with dressing, bathing, or getting around the house.

Severely Mentally Ill: Based on 2000 Census; people who are mentally disabled and unemployed between ages 16-64.

Developmentally Disabled (DD): There are no Consortium specific data on the number of developmentally disabled individuals in need of assistance, but based on the U.S. prevalence rate of between 1.2 and 1.6 percent of the total population, it is estimated that between 8,824 and 11,765 of the 735,334 people in Multnomah County have a developmental disability. Research indicates that thirty percent of people with disabilities have household incomes below the poverty level, compared with twelve percent of the non-disabled population.

Physically Disabled: Based on 2000 Census; people who are physically disabled and unemployed between ages 16-64.

City of Portland Action Plan 2011-2012

Persons w/Alcohol/Drug Addictions: There are no Consortium specific data on the number of persons with alcohol or drug use disorders. National prevalence indicates that nine percent of the population of Multnomah County (66,180) have alcohol or drug disorders. In 2010, approximately 2,000 people got their start to sobriety at Hooper Detoxification Stabilization Center. Upon completing recovery patients receive support from staff Hooper to identify safe housing and ongoing resources to support their recovery. Other community agencies report serving an additional 2,500 clients, bringing the total need to 4,500.

Persons with HIV/Aids: Data derived from HOPWA Consortium HIV/AIDS Housing Subsidy Assistance.

Domestic Violence: Multnomah County's Gateway Center finds that almost 28,000 women in Multnomah County (13.9%) were physically abused by their partners during the past year. 549 or 2% of the victims of domestic violence were provided shelter and temporary housing assistance. We estimate that this is only a quarter of the need, which we place at 2,000 individuals and families.

City of Gresham 2011-2012 Action Plan

EXECUTIVE SUMMARY

The City of Gresham is an entitlement jurisdiction, receiving an annual allocation of Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD). The City of Gresham's Fiscal Year 2011-2012 funding allocation includes \$800,918 in CDBG Funds and \$69,951 in carryover funds plus an additional \$120,000 recaptured homeownership funds and \$12,272 in program income for a total of \$1,003,124.

The one-year *Action Plan* is an annual document that describes the City of Gresham's HUD-funded projects and community development related activities that will be conducted within the community to implement the Multnomah County Consortium *2011-2016 Consolidated Plan for Housing and Community Development* in the upcoming fiscal year.

Funding will be used for public services including transitional housing, mentoring for elementary school aged children and support programs for Latino families. Funding will also be used to provide needed infrastructure in the Rockwood Neighborhood and blight abatement throughout the neighborhoods of Gresham. Additional funding was allocated to acquire property for the expansion of a community health clinic and improvements to a youth center. Program income dollars will be used to help provide purchase and rehabilitation of homes for homeownership for income qualified Gresham residents.

The City of Gresham also receives HOME funding as part of the Multnomah County, Gresham and Portland Consortium. The City's Fiscal Year 2011-2012 funding allocation includes \$549,426 in HOME funds and \$156,979 in carryover funds for a total of \$706,405. Funding is allocated to the administration and provision of tenant based rental assistance, and rehabilitation of three low- moderate income apartment complexes in Gresham.

Citizen Participation and Consultation

The City of Gresham allocated its CDBG and HOME funds through a competitive process. The Community Development and Housing Subcommittee, a six-person citizen advisory group, along with a Technical Advisory Group reviewed and scored all applications. The CDHS forwarded its funding recommendations to the Gresham City Council. The public comment period for the draft 2011/2012 Action Plan began on April 2nd and ran through May 1st, 2011. The draft plan was posted on the City's website and was available to the public at City Hall and the local libraries. A public hearing was held on May 3, 2011.

The public comment period and the public hearing were noticed in the Legal Notices of *The Oregonian* and *The Gresham Outlook*.

Multnomah County 2011-2012 Consolidated Plan/ Annual Action Plan

Executive Summary

The County is an entitlement jurisdiction and receives an annual allocation of Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD). Multnomah County is pleased to partner with other Consortium members (City of Portland and City of Gresham) in the 5-Year Consolidated Plan that is submitted by the City of Portland on behalf of the Consortium.

The County's 2011-2012 Annual Action Plan includes a CDBG formula allocation of \$281,467, and carryover funds in the amount of \$236,102*, for a total of \$517,569. The County has not received program income exceeding \$25,000 in the last few years. It is believed that this is due to the current state of the economy and we do not anticipate exceeding that amount for the upcoming program year.

Geographic Distribution

Multnomah County's jurisdiction consists of the small cities in East County; Fairview, Maywood Park, Troutdale, Wood Village, and unincorporated Lake Oswego.

The small cities of the County jurisdiction have been qualified as an *Exception Area*, where the area meets or beats the Upper Quartile Percentage of poverty for all areas of Multnomah County (37.8%). Following are the Low Mod Percentages for each of the jurisdictional cities:

Fairview 52.4%
Lake Oswego 24.0%
Maywood Park 16.4%
Troutdale 31.0%
Wood Village 44.2%
Rest of County 25.4%

While currently only Fairview and Wood Village qualify to receive funding with the Upper Quartile Percentage, very low and low-mod-income citizens in the whole jurisdictional area may receive benefits from housing and public services projects.

Multnomah County Action Plan 2011-2012

More than 75% of the CDBG funded Housing Rehabilitation projects are focused in Fairview and Wood Village. A little more than 20% live in Troutdale and outlying unincorporated areas of the County. All recipients of rehab work are qualified using 2011 Median income criteria.

Public Services projects use intake forms to qualify recipients and serve the lowest income population of the whole jurisdictional area. Approximately 99% of recipients seeking help through El Program Hispano are low-moderate income persons of Hispanic ethnicity.

Funding Priorities

Multnomah County allocated CDBG funds through a competitive process. Applications were reviewed and ranked by an appointed Technical Advisory Group. Their ratings were submitted to the Policy Advisory Board (PAB) that is made up of a member from each of the small cities in the jurisdiction and one member from the Board of County Commissioners.

Keeping in mind the funding Priorities of the 5-year Strategies for Multnomah County, the PAB recommended the following percentages to use in the allocation of funds:

- Housing 35%
- Public Facilities Improvements 30%
- Public Services 15%
- Administration 20%

These percentages may be adjusted according to funding factors, applications received, and current needs of the community.

Approximately, 80 percent of County CDBG funds, including Public Facilities Improvements, Housing Services and Public Services, are directed to the lowest income people of Wood Village and Fairview. Recipients of housing and public services activities in all areas of the jurisdiction, go through an intake process to identify eligibility. It is estimated that 100% of CDBG funds go towards projects that serve very low to low-mod income people.

Citizen Participation

The County convened two Public hearings; one held on April 7, 2011 at the Wood Village City Hall and the second on April 28, 2011 before the Board of County Commissioners. Combined hearings with the City of Portland and the City of Gresham were held at various times and locations. The hearings were publicized in *The Oregonian* as well as other local papers. Flyers were placed in the commons areas of local the City Halls. Additionally, notices were posted on city websites.

Multnomah County Action Plan 2011-2012

Following are three main priorities identified by stakeholders and the public that reflect the needs of the community. All funded projects are tied to at least one of these priorities:

- Priority 1: Invest in housing programs that focus on providing decent, stable housing for those with greatest need.
- Priority 2: Invest in infrastructure and public facilities improvements development that promotes stabilizing and revitalizing low-income communities.
- Priority 3: Support social services operations for organizations assisting homeless families, low-income citizens, and special needs populations to help expand economic opportunities.

Public input helped to identify the jurisdiction's top needs as follows:

- **Housing Needs:** Improvement/rehabilitation of residential housing to maintain and increase housing stock in low-income neighborhoods.
- **Community Development Needs:** Public Facilities and infrastructure improvements to help in the stabilization of small communities by improving water and sewer lines, roads and sidewalks, parks.
- **Social Services Needs:** support for homeless service providers, transitional housing, operation support for addressing fair housing barriers, support programs for Latino families.

The table on the proceeding page identifies the 2011-2012 funded activities. This table names the project, funding priority, funding sources, outcome description and 1 and 5 year goals.

Multnomah County is committed to efficiently administering and utilizing CDBG funds in the east Multnomah County area by conscientiously soliciting and choosing projects that will best serve the low-moderate residents while working closely with our community partners.

* Carry-over funds were generated from long-standing accumulation of projects that over time have become defunct.
