Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

36459

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for immediate withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full and immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust.
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law.
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed.
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland.
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 36 U.S. troops from Oregon have died.
- ◆ The U.S. government has spent more than \$200 billion on the war in Iraq while the U.S. deficit climbs.
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs.

As of 2/06, the cost of the war to the City of Portland was more than **\$296 million**. This money could have funded:

- ◆ More than 14,000 4-year scholarships at public universities in Oregon,
- ◆ Health insurance for more than 177,000 Portland children,
- ◆ 39,000+ Head Start students for 1 year,
- ◆ 5,000+ teachers for 1 year
- ◆ more than 2,600 housing units in Portland (www.nationalpriorities.org)

- ♦ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ♦ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ♦ More than 18,000 4-year scholarships at public universities in Oregon;
- ♦ Health insurance for nearly 223,000 Portland children;
- ♦ Nearly 50,000 Head Start students for 1 year;
- ♦ 6,000+ teachers for 1 year; or
- ♦ More than 3,000 housing units in Portland.

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for immediate withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full and immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust.
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law.
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed.
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland.
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 36 U.S. troops from Oregon have died.
- ◆ The U.S. government has spent more than \$200 billion on the war in Iraq while the U.S. deficit climbs.
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs.

As of 2/06, the cost of the war to the City of Portland was more than **\$296 million**. This money could have funded:

- ◆ More than 14,000 4-year scholarships at public universities in Oregon,
- ◆ Health insurance for more than 177,000 Portland children,
- ◆ 39,000+ Head Start students for 1 year,
- ◆ 5,000+ teachers for 1 year
- ◆ more than 2,600 housing units in Portland (www.nationalpriorities.org)

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

36459

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for immediate withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full and immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust.
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law.
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed.
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland.
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 36 U.S. troops from Oregon have died.
- ◆ The U.S. government has spent more than \$200 billion on the war in Iraq while the U.S. deficit climbs.
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs.

As of 2/06, the cost of the war to the City of Portland was more than **\$296 million**. This money could have funded:

- ◆ More than 14,000 4-year scholarships at public universities in Oregon,
- ◆ Health insurance for more than 177,000 Portland children,
- ◆ 39,000+ Head Start students for 1 year,
- ◆ 5,000+ teachers for 1 year
- ◆ more than 2,600 housing units in Portland (www.nationalpriorities.org)

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 600,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; more than 60 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$337 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 10/06)

As of 10/06, the cost of the war to the City of Portland was more than **\$407 million**. This money could have funded:

- ◆ More than 19,700 4-year scholarships at public universities in Oregon;
 - ◆ Health insurance for nearly 224,000 Portland children;
 - ◆ Nearly 54,000 Head Start students for 1 year;
 - ◆ 7,000+ teachers for 1 year; or
 - ◆ More than 3,600 housing units in Portland.

Bring the Troops Home Now!

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full, immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 60 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
- ◆ Health insurance for nearly 223,000 Portland children;
- ◆ Nearly 50,000 Head Start students for 1 year;
- ◆ 6,000+ teachers for 1 year; or
- ◆ More than 3,000 housing units in Portland.

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full, immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 60 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
- ◆ Health insurance for nearly 223,000 Portland children;
- ◆ Nearly 50,000 Head Start students for 1 year;
- ◆ 6,000+ teachers for 1 year; or
- ◆ More than 3,000 housing units in Portland.

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full, immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 60 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
 - ◆ Health insurance for nearly 223,000 Portland children;
 - ◆ Nearly 50,000 Head Start students for 1 year;
 - ◆ 6,000+ teachers for 1 year; or
 - ◆ More than 3,000 housing units in Portland.

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

36459

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full, immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 60 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
- ◆ Health insurance for nearly 223,000 Portland children;
- ◆ Nearly 50,000 Head Start students for 1 year;
- ◆ 6,000+ teachers for 1 year; or
- ◆ More than 3,000 housing units in Portland.

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full, immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 60 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
- ◆ Health insurance for nearly 223,000 Portland children;
- ◆ Nearly 50,000 Head Start students for 1 year;
- ◆ 6,000+ teachers for 1 year; or
- ◆ More than 3,000 housing units in Portland.

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full, immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 60 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
- ◆ Health insurance for nearly 223,000 Portland children;
- ◆ Nearly 50,000 Head Start students for 1 year;
- ◆ 6,000+ teachers for 1 year; or
- ◆ More than 3,000 housing units in Portland.

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

36459

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full U.S military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 60 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
- ◆ Health insurance for nearly 223,000 Portland children;
- ◆ Nearly 50,000 Head Start students for 1 year;
- ◆ 6,000+ teachers for 1 year; or
- ◆ More than 3,000 housing units in Portland.

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full, immediate U.S military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 60 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
- ◆ Health insurance for nearly 223,000 Portland children;
- ◆ Nearly 50,000 Head Start students for 1 year;
- ◆ 6,000+ teachers for 1 year; or
- ◆ More than 3,000 housing units in Portland.

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full, immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 60 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
- ◆ Health insurance for nearly 223,000 Portland children;
- ◆ Nearly 50,000 Head Start students for 1 year;
- ◆ 6,000+ teachers for 1 year; or
- ◆ More than 3,000 housing units in Portland.

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for immediate withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full and immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 55 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs.

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
 - ◆ Health insurance for nearly 223,000 Portland children;
 - ◆ Nearly 50,000 Head Start students for 1 year;
 - ◆ 6,000+ teachers for 1 year; or
 - ◆ More than 3,000 housing units in Portland.

Bring the Troops Home Now!

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full, immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 59 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
- ◆ Health insurance for nearly 223,000 Portland children;
- ◆ Nearly 50,000 Head Start students for 1 year;
- ◆ 6,000+ teachers for 1 year; or
- ◆ More than 3,000 housing units in Portland.

Petition for the Portland City Council to Pass a Resolution for Full U.S. Withdrawal from Iraq

American Friends
Service Committee

We, the undersigned, request that the Portland City Council pass a resolution calling for an immediate beginning of orderly and rapid withdrawal of U.S. troops, no permanent U.S. military installations in Iraq, and an end to U.S. control of the Iraqi economy. We call upon all elected officials on the local, state and national level to demand a full, immediate U.S. military withdrawal from Iraq.

Our reasons are:

- ◆ The justifications for the invasion were false and violated the public trust;
- ◆ Iraq presented no threat to the U.S. at the time of the invasion and the U.S. war violates international law;
- ◆ Iraq's infrastructure has been devastated and more than 100,000 Iraqis have been killed;
- ◆ The war on Iraq has had a negative impact on the U.S., Oregon, and the City of Portland;
- ◆ The death toll of U.S. soldiers and Iraqis continues to mount; 60 U.S. troops from Oregon have died;
- ◆ The U.S. government has spent more than \$300 billion on the war in Iraq while the U.S. deficit climbs; and
- ◆ Astronomical military spending steals from Portlanders through cuts in social programs. (figures as of 8/06)

As of 8/06, the cost of the war to the City of Portland was more than **\$370 million**. This money could have funded:

- ◆ More than 18,000 4-year scholarships at public universities in Oregon;
 - ◆ Health insurance for nearly 223,000 Portland children;
 - ◆ Nearly 50,000 Head Start students for 1 year;
 - ◆ 6,000+ teachers for 1 year; or
 - ◆ More than 3,000 housing units in Portland.
